ADDENDUM 1 TO RFP DOCUMENT TE/2025/01/0025/87353/RFP

FOR THE PROVISION OF CANTEEN SERVICES FOR A PERIOD OF THREE (3) YEARS IN KOEDOESPOORT PLANT TRANSNET ENGINEERING

1. Purpose of Addendum

- To clarify the required evidence for a mandatory document (HACCP), Transnet is looking for a valid Hazard Analysis and critical Control Point (HACCP) Certificate.
- To clarify the required evidence for technical evaluation document (Certificate of acceptability for food premises), the bidders must submit their current Certificate of Acceptability for food premises as long as the certificate reflects the bidder's details as the owner.
- To add Public Liability Insurance as one of the required documents from the bidders, Bidders must provide proof of the Public Liability Insurance not less than R 2 million (Certified copy of insurance policy) or a letter of intent to obtain liability insurance not less than the value of R 2 million from a credible public insurance company.

2. BACKGROUND

The RFP was issued to the market on 10 February 2025 and will close on 26 February 2025. The compulsory site viewing was held on 18 February 2025 at 11:00am. During the briefing session the suppliers requested clarity on whether Transnet will require Public Liability Insurance from the successful bidder. Transnet amended the RFP document to reflect the Public Liability Insurance as one of the essential returnable documents & schedules.

Bidders also required clarity with regards to one of the mandatory (Hazard Analysis and critical Control Point (HACCP) compliant certificate) and technical documents (Certificate of acceptability for food premises) as to which evidence will Transnet be looking for.

Kindly request that the National Supply Chain manager grant permission to amend the RFP and add Public Liability Insurance as one of the essential returnable documents & schedules.

3. TRANSNET MANAGEMENT DECISION

It is recommended that the National Procurement manager approves the addendum for additions and amendments made to the RFP document.
