Hi Nelisiwe,

I hope you are well.

While we are unable to know what price increase we may incur in future years, the below deal was approved by the ceo

1st year R6710 ex vat = R7716.50 vat inclusive
2nd year R7549.20 ex vat = R8681.58 Vat inclusive
3rd year R8388 ex vat = R9646.20 Vat inclusive

Total for 3 years = R26044.28 Vat inclusive

Should you be happy with the above proposal, I'd be happy to generate a consolidated invoice to make payment upfront for the next 3 years.

Should you wish to only take a 12 month subscription and renew it yearly, please let me know.

Kind regards

Hi Nelisiwe,

I hope you are well.

As a 3 year contract is not something we generally offer and is done by the request of a business, I would need to discuss with my CEO the pricing.

I have asked for a meeting.

Kindly allow me some time to discuss what we can offer and I will respond as soon as possible.
