INTRODUCTION

The Gauteng Gambling Board is a statutory body established in terms of Section 3 of the Gauteng Gambling Act, no 4 of 1995, as amended (the Act).

The Board falls under the definition of “provincial public entity” in terms of Section 1 of the Public Finance Management Act, No 1 of 1999 (“PFMA”), and is listed in Schedule 3 to that Act as being one of the public entities in respect of which the legislation applies.

Prior to August 1996, betting on horse-racing and other sporting events was the only form of legal gambling in Gauteng. During August 1996, the Act was promulgated. This Act legalised other forms of gambling in the Province and provided for the establishment of the GGB Board.

The following forms of activities are regulated by the GGB in Gauteng:

- Casino gaming
- Betting on horse-racing and sporting events
- Bingo
- Limited payout gaming machines (Route and site operators)
- The manufacturing and supply of gambling equipment

The GGB is inviting responses to this Request for Proposal (reference number GGB/RFP/004/2022) in order to appoint a suitably qualified and experienced service provider to render security services for a period of 36 months in this RFP PART B – Terms of Reference. The successful bidder is required to provide a detailed response to adequately render the services within GGB (a complete solution).

The appointment of a successful service provider is subject to the conclusion of a service level agreement between the GGB and the service provider.

36. If the Bidder submits its Tender and a subsequent conflict of interest arises, or is likely to arise, which was not disclosed in the Tender, the Bidder must notify the GGB immediately in writing of that conflict.

STATUS OF TENDER

54. Each Tender constitutes an irrevocable offer by the Bidder to the GGB to provide the Services required and otherwise to satisfy the requirements of the Terms of Reference as set out in this RFP Part B.

55. A Tender must not be conditional on:

- o. The Board approval of the Bidder or any related governing body of the Bidder being obtained.

57. The GGB reserves the right to accept a Tender in part or in whole or to negotiate with a Bidder in accordance with the clause 81 (Unreasonable disadvantage) of this RFP Part A.

TENDER RESPONSE

COMPLIANCE WITH TERMS OF REFERENCE

58. Under Part C of this RFP, a Bidder must submit a tabulated statement showing its level of compliance to the Terms of Reference contained in this RFP Part B.
59. In particular, Bidders must state if they will not comply with the Terms of Reference or will only comply with the Terms of Reference subject to conditions. Full details of the non-compliance (including the nature and extent of the non-compliance and any reasons for such non-compliance) must be stated in the space provided in the tabulated statement.
60. No response is required in respect of a particular section of the Terms of Reference where Bidders will comply with the Terms of Reference. Only sections that Bidders have not complied with, or will only comply with subject to conditions, should be noted in the tabulated statement.

61. The GGB is prepared to contemplate minor variations or departures from the Terms of Reference proposed by Bidders.

62. However, Bidders should note that significant or substantive variations or departures from the Terms of References will not be viewed favourably unless the Bidder is able to clearly demonstrate to the satisfaction of the GGB the necessity for such variations or departures.

Note to Bidders: The GGB will assume that a Bidders Response complies in all relevant respects with the Terms of Reference unless the Bidder states otherwise. Failure to notify the GGB of any non-compliance may result in a Bidders Response being disregarded.

GENERAL

63. Indefinite responses such as “noted”, “to be discussed” or “to be negotiated” are not acceptable.

64. Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Tender or be included in a general statement of the Bidders usual operating conditions.

65. An incomplete Tender may be disqualified or assessed solely on the information completed or received with the Tender.

INNOVATIVE SOLUTIONS

66. Bidders are encouraged to offer options or solutions which may, in an innovative way, contribute to the GGB’s ability to carry out its operations in a more cost-effective manner.

67. These options or solutions may be related to:

- t. The outputs, functional, performance and technical aspects of the requirement; or
- u. Opportunities for more advantageous commercial arrangements.

68. Any such options or solutions will be considered by the GGB on a “commercial in confidence” basis if so, requested by the Bidder.

69. Where a Bidder submits an offer which meets the requirements of this RFP in an alternative and practical manner, the Tender must also include any supplementary material (including such pricing and costing details as may be necessary to enable the GGB to fully assess the financial impact of the alternative proposal), which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.

70. The GGB reserves the right to consider such offers on their merits or not to consider them at all.

CONTRACT DISCLOSURE REQUIREMENTS

DISCLOSURE OF INFORMATION

71. The Conditions of Tendering include a provision for the disclosure of contract information (refer to this RFP Part A dealing with “Use of Tenders”).
72. If a Bidder wishes to withhold the disclosure of specific contract information, the Bidder must clearly outline how the release of this information will expose trade secrets, business strategy or unique methodologies that may expose the business unreasonably to disadvantage.

TRADE SECRETS

73. In considering whether specific information should be categorised as a trade secret, Bidders’ should assess:
- v. The extent to which it is known outside of the Bidders business.
 - w. the extent to which it is known by the persons engaged in the Bidders business.
 - x. any measures taken to guard its secrecy.
 - y. its value to the Bidders business and to any competitors.
 - z. the amount of money and effort invested in developing the information; and
 - aa. the ease or difficulty with which others may acquire or develop this information.

UNREASONABLE DISADVANTAGE

74. In determining whether disclosure of specific information will expose a Bidders business unreasonably to disadvantage, the following should be considered:
- bb. Whether the information is generally available to competitors; and
 - cc. Whether it could be disclosed without causing substantial harm to the competitive position of the business.

GGB will consider these applications in the Tender evaluation and negotiations (if any) with Bidders.

EVALUATION OF TENDERS

EVALUATION PROCESS

75. Following the Closing Time, the GGB intends to evaluate the Tenders received.

76. Tenders will be evaluated against the Evaluation Criteria specified under the section "Evaluation Criteria Format".

77. Without limiting the GGB's rights in the RFP, the GGB may at any time during the Tendering Process choose to:

- dd. Shortlist one or more Bidders; and
- ee. Accept one or more of the Tenders.

78. Unless the Evaluation Criteria explicitly require, the GGB may, but is not in any way bound to, shortlist, to select as successful, or to accept the Tender offering the lowest price.
79. Should the GGB choose to include a short-listing stage in its evaluation process, the GGB is not, at any time, required to notify Bidders or any other person or organisation interested in submitting a Tender.
80. A Bidders Response will not be deemed to be unsuccessful until such time as the Bidder is formally notified of that fact by the GGB. The commencement of negotiations by the GGB with one or more other Bidders is not to be taken as an indication that any particular Bidders Response has not been successful.

EVALUATION CRITERIA FORMAT

81. The evaluation criteria are weighted to reflect the importance of project requirements noted in the Terms of Reference.
82. In evaluating Bidders Responses, the GGB will have regard to:
- ff. Specific evaluation criteria identified in the list below.
 - gg. the overall value for money proposition presented in the Bidders Response; and
 - hh. particular weighting assigned to any or all of the evaluation criteria specified below.
83. For the purposes of this RFP clause 90, 'value for money' is a measurement of financial and non-financial factors, including:
- ii. Quality levels; and
 - jj. performance standards.
84. Value for money will be assessed on a 'whole of life' basis (including the transitioning-in, the contract term and the transitioning-out phases of the relationship between the GGB and a Bidder), with a view to long-term sustainability

of the value for money proposition and with a focus on ensuring that value for money outcomes are promoted and protected following the conclusion of any contract that may result from this RFP.

85. Administrative compliance will be determined in accordance with the conditions listed in this RFP.

86. The evaluation criteria will be in line with the PPPFA, 2000 (Act No. 5 of 2000) and Preferential Procurement Regulations 2017 as amended.

87. Evaluation will be based on a point system and two-stage evaluation process. As a pre- requisite, a bid must comply with the requirements of the bid solicitation and meet the minimum threshold of the functionality evaluation criteria to be declared responsive and qualify to the next evaluation stage.

88. The value of this bid is estimated to be less than R 50 000 000.00 and therefore the 80/20 preference point system shall apply. The following is the weighting awarded for each element, and the threshold score.

Evaluation element	Weighting	Threshold score
Technical proposal (Functionality)	100	80 Points

Evaluation element	Weighting	Threshold score
Price proposal	80	N/A
