4.1 ENVIRONMENTAL ENVIRONMENTAL GUIDELINES AND LIMITATIONS FOR DEVELOPMENT SITES

CHECKLIST.

DEVELOPMENT REFERENCE: Potential development site Mkhholwane Lodge at Mdala NR

The purpose of providing the information below, is to guide potential developers during the very first phase of the process to prepare realistic business proposals. The guidelines is not at all intended, nor has the powers to replace any Environmental Impact Assessment legislation or processes. It rather aims at providing a framework in layman's terms according to which development proposals should be invited. The outcome of an impact assessment remain the final authority.

Making this information available early during the process, reduces the risk of failure due to environmental parameters not considered during the conceptual phase, and encourages sustainable development.

Landscaping aspects.		<i>Only indigenous species relevant to the site is permissible for landscaping purposes.
