BID PRESENTATION

Presentation of the Terms of Reference (TORs) by Mr Forie.

2. SUPPLY CHAIN MANAGEMENT (SCM) MATTERS

The SCM indicated that:

- The briefing session was compulsory as indicated in the Tender advert. Non-attendance to the briefing session lead to disqualification of the Bidders' proposals.
- The tender is closing on **03 December 2025 at 11:00**. A bid which is submitted after 11:00 on the closing date will be regarded as late and will not be accepted by the DHET.
- The documents must be submitted as hard copies, emailed documents will not be accepted.
- Bid documents will only be considered if received by the Department before or on the closing date and time, regardless of the method used to send or deliver such documents to the Department.
- The information must be marked correctly and sealed separately for ease of reference during the evaluation process. Furthermore, the files must be labelled and submitted to the Department in two separate envelopes and format as follows: The Bidder(s) are required to submit two (2) copies of each file, (one (1) original, one (1) duplicate copy).
- The clarity seeking questions should be done at least five (5) days before the closing date as indicated in the tender advert. The questions should be directed to Tenders@dhnet.gov.za.
- The discussions during the briefing session and the questions raised after the briefing session will be consolidated, responded to and uploaded on the Department's website (www.dhnet.gov.za) and eTender Portal (www.etenders.gov.za) where the tender advert and documents are published.
- Bidders must read the Mandatory Requirements carefully as listed in the TORs and ensure that they respond as required.

3. QUESTIONS RAISED AND RESPONSES PROVIDED (during the briefing session)

No	Question raised	Response/Clarity
1.	Sunday to Saturday & Public Holidays (Day Shift) 1 B Sunday to Saturday & Public Holidays (Night Shift)	Grade B is required the whole week (seven days)
2.	In the pre-qualification criteria, we note the requirement to submit a certified copy of registration with the South African Security Association (SASA).	See erratum 1 DHET171

	Kindly note that our company is a registered member of SANSEA (South African National Security Employers Association), which is also a recognized body within the security industry. We would like to confirm whether SANSEA membership will be accepted as an equivalent or alternative to SASA registration for the purposes of meeting this pre-qualification requirement.	
3.	Confirm whether ICASA is valid for one or five years?	
4.	Is it necessary for companies to provide both Psira and SASA Certificates?	
5	Since the requirement of equipment is one, What will be the backup plan if an equipment breakdown?	The Department needs the equipment on site 24/7 and it will be proper for the successful service provider to have a back up because in case there is no equipment on site, the service provider will be penalised.
6	With regards to the above 2 tenders, please provide guidance on the pricing schedules required. The schedule SBD3.3 in the tender document is for professional services and is not compatible with the scope of works required. Please advise if you will be forwarding templates.	Calculate each and every cost (maybe separately) that will be acquired according to scope and deliverables then provide the overall cost on the pricing schedule

4. CONCLUSION

Bidders were reminded:

- To be mindful of the tender closing date and time as indicated in the tender advert.
- That they can still ask questions until at least five (5) days before the closing date; questions should be directed to Tenders@dhet.gov.za

Ms Qwabe thanked the Bidders for attending the briefing session and wished them well with the preparation and submission of their bids.

The session was adjourned.
