3. Tender Document Review

The following sections of the tender document were reviewed and discussed during the clarification meeting held on 11 September 2026:

Tender Number and Description

- Verified accuracy and consistency with published notice.

Section 2.2 – Tender Obligations

- **2.2.1.1:** General obligations of the tenderer
- **2.2.1.1.5:** Eligibility referring to specification

Section C.1 – The Contract

- Discussed the concept of pull-out contract and showed the various sections that form part of it.

Section C.4 – Price Schedule

- **Line Items:** Discussed the items in the pricing schedule and the award thereof.

Section C.5 – Specifications

- Provided an overview of the various sections of the specifications, namely:
 - Section 7 - Requirements
 - Section 8 – Particulars
 - Section 9 – Quality System
 - Technical Schedules - Schedule F.13 A - F: outlined of the various schedules that need to be completed and the supporting documentation that need to accompany the schedules.

Schedule F.1 – CPA

- The various CPA mechanisms applicable to the tender were discussed. The relevant tables that need to be completed were highlighted.

Schedule F.4 – Preference Points Claim Form

- The new F.4 preference points schedule was shown, highlighting the additional sections that need to be completed.

Cover letters and Schedule F.10:

- It was emphasised that tenders should be aware of standardised Covering Letters with “standard clauses” that may be inherently non-responsive. It was further explained that any clauses that contradict the GCC and SCC will not be accepted and render the tenderer materially non-responsive.

4. Meeting Questions

- There were no questions.
