**PART 3**  
**THE REQUIRED SERVICES AND SCOPE OF WORK**

**A PANEL OF MARKETING, EVENTS AND RELATED SERVICE PROVIDERS (MBDA MS 07/24) -  
ADVERTISING MEDIA & BRAND PLACEMENT (COMPONENT 3)**

**1. Introduction**

The Mandela Bay Development Agency (MBDA) is a municipal entity of the Nelson Mandela Bay Municipality (NMBM) with the mandate to transform spaces, people, and the economy of the Bay. The MBDA hereby calls for interested marketing, events and related service providers to consider responding to the tender(s) outlined below.

**2. About the MBDA**

The MBDA was established in 2003 and became operational in 2004, with the initial mandate of transforming the inner city of Port Elizabeth (Gqeberha). Since then, the MBDA has implemented over half a billion-rand worth of socio-economic, and catalytic programmes across the geographical area of Nelson Mandela Bay (Port Elizabeth, Uitenhage, and Despatch).

Because the agency is a municipal entity, legislation and regulations that apply to municipalities and municipal entities also applies to the MBDA, and these include the MFMA etc. It is important for prospective bidders to be fully aware of these prescripts, especially those that deal with procurement of services, the principle of fairness, and value for money, and others. The agency has an unbroken legacy of unqualified audit outcomes from the Auditor General of South Africa, which implies, the agency takes pride in how it manages public finances and compliance.

In 2016 Council resolved to extend the agency's mandate, and including the management of two strategic operations, the ***Nelson Mandela Bay Science and Technology Centre***, as well as the multibillion rand, iconic and world-class ***Nelson Mandela Bay Stadium***. Both these entities continue to be under the management of the MBDA.

Over time, the MBDA has also secured properties in the Lower Baakens Valley and the inner city to play a significant role in urban transformation. The acquisition of properties is also part and parcel of the agency's financial sustainability strategy by planning to reduce financial dependence from the shareholder through revenue generating initiatives. The Marketing department is also expected to play a role in providing services to other spheres of government for a fee as part of Project Management Services. By implication, the successful agency will be required to be part of the external services / project management services effort.

### **3. Marketing, Events, and Communications**

The Marketing department, as well as the Commercial unit at the NMBS exist to provide services across all the functional units and operations of the MBDA. It can be inferred from the above that the operations of the MBDA are diverse, from delivering social, and capital programmes, area based management, to operating a science centre and a multipurpose stadium. We believe that through smart and collaborative marketing, the diversity of the MBDA's operations also offers scope for cross marketing for the benefit of the entire organisation, including all managed sites. In the short and mid-term, the following are the marketing and communications objectives:

- 3.1** Continue to build a positive image of a capable and agile MBDA and all its operations
- 3.2** Improve public awareness about the MBDA and the work of the agency
- 3.3** Build a collaborative relationship with, NMBM, citizens, and key stakeholders
- 3.4** Build strong and value adding partnerships in active mandate or programme areas
- 3.5** Build a compelling value proposition to attract commercial partners to the NMB Stadium
- 3.6** Build a compelling value proposition to attract funding partners to the NMB STC
- 3.7** Effectively market and promote revenue generating initiatives and facilities of the MBDA
- 3.8** Produce and maintain efficient, accessible, and up to date communication collateral
- 3.9** Perform any other marketing, communications, branding and events related task
