FINANCIAL TERMS

The LGSETA is a public entity and as such the terms of payment are thirty days (30) days from date of invoice. Therefore, the Service Provider should demonstrate that they are in a stable financial position in order to undertake this project.

EVALUATION CRITERIA

LGSETA promotes the concept of “best value” in the award of contracts, as opposed to merely looking for the cheapest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team.

LGSETA is committed to achieving the government’s transformation objectives in terms of the Preferential Procurement Policy Framework Act (PPPFA), Procurement Regulation 2022.

The value of this bid is estimated not to exceed R50 000 000 (all applicable taxes included) and therefore the **80/20** system shall be applicable. (This is by no means the budget of the project but the process threshold as per PPPFA)

The procedure for the evaluation of responsive bids is Mandatory requirement, Project minimum requirements functionality (quality), and Price and Preference method. The evaluation of the bids will be conducted in the following four stages:

- Firstly, the assessment of SCM mandatory requirements in term of the tender document.
- Secondly, the assessment of Project minimum requirements
- Thirdly, technical functionality assessment will be done in terms of the evaluation criteria set and the

minimum threshold of **70** points to be met. A bid will be disqualified if it fails to meet the minimum threshold for functionality as per the bid invitation

- Fourthly, assessment of bids in terms of the 80/20 preference points systems, where the 80 points will be used for price only and the 20 points will be awarded to a bidder for attaining the specific goals

•Tenders which are technically acceptable and eligible to participate in this part of evaluation are next awarded financial points. Maximum points are awarded to the lowest-priced tender

FINAL DELIVERY

The Service Provider must obtain final signoff from the LGSETA before the project is concluded and the final payment is made. The Service Provider must submit signoff documentation authorized by the LGSETA.
