Eskom Holdings SOC Ltd (“Eskom”) invites you to submit an:

- **Request for information (RFI)** to submit information for the works/goods/services as stated in the table. This RFI is a stand-alone information-gathering and market-testing exercise, intended only to inform and assist Eskom’s further deliberation and development of a strategy for the rendering equipped and fully resourced Mobile Health Clinic services in 9 provinces: Eskom request indicative prices and must be stated in this RFI. Furthermore, Eskom may proceed with closed tendering process post this RFI with only those that have responded.

Eskom has delegated the responsibility for this **RFI** to the signatory of this document, whose details can be found below.

We look forward to receipt of your response.

Yours faithfully

Description of the services	The scope of this project encompasses the implementation and operation of the Mobile Health Clinic Programme across the designated provinces. The programme shall provide accessible healthcare services through fully equipped and adequately resourced mobile clinic units. The Mobile Health Clinic and all healthcare professionals and support personnel deployed on the mobile units must be appropriately qualified, accredited, and compliant with the requirements of the National Department of Health. The service provider shall ensure that all mobile clinics are duly registered and licensed and operate in accordance with all applicable national, provincial, and local healthcare regulations, standards, and legislative requirements. Furthermore, all services must comply with relevant health, safety, quality assurance, and clinical governance standards to ensure the delivery of safe, effective, and professional healthcare services to beneficiaries. Provide fully equipped and adequately resourced Mobile Health Clinic services across all nine provinces. Services will include a comprehensive health screening questionnaire, optometry, vital signs assessment, respiratory health evaluation, and the screening of lung conditions associated with exposure to emissions and other environmental risk factors.

No.	Question	Please indicate your response in this column
1	Company registration number?	
2	Is the Company registered to provide health services? If Yes, kindly provide proof	
3	Brief description of previous experience and solutions that you can offer? Kindly provide proof	
4	Given the proposed structure of the Eskom Mobile Health Clinic, please provide high level implementation plan to render services in all nine provinces for a period 5 years.	
5	Confirm any accreditation or validation of the services for a period of 5 years. Kindly provide proof	
6	Against each service, submit an indicative price (only for use of RFI's)? In practice, primary healthcare screening services may be priced using any of the following models: • Hourly or daily rate – commonly used for workplace screening campaigns and mobile clinic services. • Fee per patient screened – commonly used where the volume of patients can be accurately measured. • Fixed project fee – a lump-sum amount covering a specified scope of work. • Hybrid model – a fixed mobilization fee plus a fee per patient screened.	
7	Areas of your current operation?	
8	Key personnel/dedicated team for this programme?
