Please find attached the usage sheet regarding the fertilizer, compost and herbicide that we have received from the current supplier: The estimated area size for the hospital is 9.0225 as indicated in the bid document.

Compost - similar or equal to mulching African Biomass Company.

Fertilizer - similar or equal to Nitrophoska 3:1:5 (38)

Herbicides - Roundup Turbo, 450 g/l with the active ingredient (Glyphosate)

We are requesting that the fertilizer/compost be half yearly only for the hospital (for the 3 year period it adds to a total of 6 services)
