DETAILED TECHNICAL SPECIFICATION

1. CREATIVE-BRIEF

Introduction & Background

Football is the most followed sport in South Africa.

In the build up to the weekends, almost every conversation in trains, taxis, buses, and workspaces is laced with football rhetoric. Needless to say, these conversations are both intellectual and emotive and always skewed towards one's favourite football team.

In 2020, the world as we know it changed during the 4 months of non-activity of football globally. This in turn created an unforeseen appetite and appreciation of live football matches by the audiences. From the business front, with the new PSL sub-license contract between SABC and Super sport, the agreement will see SABC only broadcast 46 live matches on TV, a far cry from the 144 matches per season two years ago.

With this new decline in live match offering, it is bound to create a public outcry, which will damage the reputation of the SABC.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
