SANParks evaluates only procurement responses that are 100% acceptable in terms of the Returnable Document List and mandatory requirements and may disqualify non-acceptable responses for Stage 2. <u>Stage 2 – Price/Preference Evaluation</u> Basis of competition: SANParks compares each bidder's pricing proposal offered on the SBD 1. A bidder who did not make an offer on the SBD1 when submitting their bid at the closing date and time will automatically be disqualified. Due diligence tests for reasonableness of price: SANParks conducts fair market-related pricing tests to arrive at an opinion of reasonableness of the preferred bidder's price offered. Where the preferred bidder does not want to participate in the price negotiation or provide

	a fair market-related price, SANParks will cancel the award and commence price negotiations with the second preferred bidder. Ranking of the bidders pricing: SANParks ranks the qualifying bids on price and preference points claimed in the following manner: Price – for bids qualifying for this stage, the lowest priced Bid receives the highest price score as set out in the Preferential Procurement Policy Regulations of 2017; Preference - for bids qualifying for this stage, the bidder will be awarded the preference points claimed in the preference claim form (SBD6.1) and supported by a valid BBBEE certification or sworn affidavit.
