Basic Compliance and Mandatory Evaluation

- Basic Compliance (As per page 8 of the invitation to tender)
- Mandatory Tender Returnable (As per page 9 -10 of the invitation to tender):

Functionality:

- Technical Folder – Folder 2 on the Eskom Tender Portal. Functionality will be evaluated as 100% Technical Requirements
- Suppliers who meet the threshold of 80% will proceed to the next stage of the Evaluation Process

Proposal of Rates

- Rates will be evaluated only for Tenderers that passed Technical.

PPPFA

- Preference Points Scoring System (ranking of tenderers)
- As per Item 3.18 & 3.19 on page 11 & 12 of the Invitation to Tender

Contractual Requirements

- Quality
- Safety
- Environmental

ONLY COMPANIES THAT PASS
ALL THE STAGE 1
REQUIREMENTS WILL PROCEED
TO THE NEXT STAGE

STAGE 2 : FUNCTIONALITY EVALUATION

- Requirements can be found in the Technical Folder – Folder 2 on the Eskom Tender Portal
- Suppliers who do not meet the 80% threshold will be disqualified at this point and will not move on to the next stage of the evaluation.
- Please refer to the Technical Clarification Presentation and Evaluation Criteria

ONLY COMPANIES THAT PASS
ALL THE STAGE 2
REQUIREMENTS WILL PROCEED
TO THE NEXT STAGE:

STAGE 3 – Evaluation of Prices

Please refer to the Price Evaluation Presentation and to 3.15 of the Invitation to Tender.

*All items on the Price list to be priced - Should there be blanks on your price list – **Your Tender will be disqualified.**

*Prices will be scored out of **80** points

STAGE 4: RANKING OF THE SUPPLIERS

As per Item 3.18 of the Invitation to Tender:

- Suppliers will be ranked by applying the preferential point scoring based on the relevant system as stipulated hereunder:
 1. 80/20 for tender with rand value equal to or below R50 million
- Prices will be scored out of 80 points

- Evaluation of Specific Goals
- Specific goals will be scored out of 20 points in accordance with PPPFA.
- If a tenderer fails to meet Specific goals and submit proof, the tenderer will not be disqualified. However, be awarded 80 points for price and will score 0 points for Specific goals (out of 20)
- **Note: Failure on the part of the supplier to submit supporting documents/proof of specific goals for purposes of evaluation and scoring by tender closing will not result in disqualification (if tenderer is otherwise deemed to be responsive/acceptable in all other aspects). The tenderer will, however, be scored zero for Specific goals for purposes of PPPFA scoring and ranking.**
- Eskom will then add the score from Pricing and Specific goals together and rank the suppliers from the highest to the lowest.

ONLY THE TOP RANKED
COMPANIES WILL PROCEED TO
THE NEXT STAGE:
STAGE 5 EVALUATION OF
SAFETY, QUALITY AND
ENVIRONMENTAL

The following apply:

- Safety requirements;
- Environmental Requirements;
- Quality Requirements

NB: Suppliers are to meet the above Contractual Requirements Prior to Contract Award Recommendation

THIS IS VERY IMPORTANT TO NOTE:

- The top ranked suppliers identified in terms of the 80/20 preferential point scoring will be evaluated for SHEQ.
- Should suppliers not pass the initial evaluation they will be advised of their shortcomings and have 7 days in which to correct their shortcomings.
- **It is important to submit the SHEQ criteria at Tender Closing and try and get your SHEQ criteria 100% compliant upfront.**

- Once all evaluations are completed, the results will be finalised and the top 12 ranked tenderers will be identified and recommendation will be submitted to the Procurement Tender Committee for approval.
- If two or more tenderers score equal total points in all respects, the award will be decided by the drawing of lots.
- **Only 12 Contractors /Service Providers** will be required to execute the scope of work.
- The Contract will be a Cluster contract but there will be 8 contractors for KZN and 4 for FS OU.

- Contractors will work in their assigned OU's and costs will be as per the final approved negotiated rate per pole which includes the transport costs.
- The contract will make provision for allocation of contractors to move across Operating Units when required.
- The contract BOQ includes a line item for transport costs at a rate per kilometer (KM) for the trip from the one OU to the other and back.
- Movement of contractors between the OU's will be kept to a minimum and the work allocated when such movement is requested will be maximized to get the benefit of the additional costs incurred with moving contractors between OU's.
- This is an enabling contract and Purchase Orders will be allocated on an as and when required basis.

Requirements in terms of completing the tender

- All certificates submitted must be valid at the Tender Closing Date
- All queries to be addressed to the Buyer in writing via email. No telephone calls will be accepted for queries regarding this tender
- Closing Date for all queries is **5 days**
(**Monday – 20 July 2026** - since **18 July 2026** is a **Sunday**) prior to tender Closing Date.

- All tendering companies will be subjected to the same evaluation criteria. Do not assume that because you have worked for Eskom prior to this, the Eskom team will know your company and know whether you have the necessary requirements in order to perform the required scope. In the functionality stage of the evaluation Eskom will ONLY evaluate what documents you provide in the tender submission.
- Please note that this is an “as and when” required contract.
- **Eskom reserves the right to negotiate with preferred bidders after a competitive bidding process or price quotations, should the tendered prices not be deemed market related.**

Vendor Management for Suppliers with no vendor numbers

- Please note that Vendor Management (For companies with no vendor number) evaluations will still need to be done prior to the company being able to sign a contract. Only once all the required evaluations are done and passed successfully will the company be able to sign the contract and legible to receive work.

- Suppliers are encouraged to ensure they double check their documents before submitting their tender
- Suppliers are to ensure tender document meets all the requirements for the Tender.
- Suppliers are encouraged to upload their tender documents before the closing date and not wait to submit on the day of tender closing
- What do the suppliers need to submit in the Commercial Pack? Submit documents as per the interleaves in Commercial Pack 1
- Do we complete all documents, incl Invitation to tender forms? **YES and include the completed Invitation in your Commercial Pack.**

Thank You
