CLARIFICATION

CLARIFICATION QUESTIONS

QUESTION 1

Will Eskom or the supplier provide scaffolding?

ANSWER 1

Eskom will provide the required scaffolding.

QUESTION 2

Will the work be executed during outages?

ANSWER 2

Internal structures will be done during outage, external structure can be worked on even when there is no Outage.

QUESTION 3

Can suppliers subcontract?

QUESTION 3

Yes suppliers can subcontract but no more than 25% of the work.

QUESTION 4

Do you have to be on the Eskom data base (have Eskom vendor number) to be able to tender?

QUESTION 4

No suppliers do not have to be registered on the Eskom data base, but the suppliers need to be registered on the CSD.

QUESTION 5

Do consultants/suppliers need have a safety Rep?

QUESTION 5

It I will not be applicable if your company has less than 20 people.
