Sibiya trusts Golden Arrows coaching duo to find the mark

'Co-coaches Khenyeza and Vilakazi know all players' weaknesses'

By Neville Khoza

Golden Arrows winger Nduzozo Sibiya feels working with co-coaches Mahhuti Khenyeza and Vusumuzi Vilakazi will benefit them as they will be able to get the best out of the players.

Khenyeza and Vilakazi, who took over on an interim basis from Lehlohonolo Seema towards the end of last season, were confirmed as permanent coaches before the new campaign.

Sibiya believes the fact that Khenyeza and Vilakazi know the culture and the players is a good omen for the club as it will be easy to get the best out of them.

"I think it will be easy because I played with both of them before here and they are now coaching me," Sibiya explained to the media during the Premier's Cup launch in Durban.

"They know the culture. They know the weaknesses in all the players on the team, so it will be easy for us as players because we know what they want from us and they know what they can get from us."

After making 30 appearances for the club across all competitions last season, scoring three goals and creating four

assists, the 27-year-old said the plan is to net more goals.

"There is not much to expect. My hope is to continue where I ended when we closed last season as a team and even individually," Sibiya said.

"But what I can promise is, we will try to do better as a team and finish in a good position. As for me, I would like to play more games this coming season. But that all starts with training and how prepared I am.

"Our game against AmaZulu in the KwaZulu-Natal Premier's Cup [on July 31] will be good preparation for us. It won't be easy, though, because they have a lot of new players.

"Those who were there last season have left and we don't know their approach, but we will be ready and this will give us a clear picture of how far we have progressed with our preseason."

It will be easy because we know what they want from us as players

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).^{*} Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 2 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 3 This **MBD** serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 4 In order to give effect to the above, the attached Certificate of Quotation Determination (**MBD 9**) must be completed and submitted with the bid:

^{*} Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
