1. PURPOSE

- 1.1 To appoint a service provider to conduct external audit services for Kabelo Land Restitution and Development Trust for six (6) months for each of the reporting period from 2020/21 to 2023/24

2. INTRODUCTION AND BACKGROUND

- 2.1 Pursuant to a 1998 Cabinet's decision to restructure State owned category A plantations in the Republic of South Africa, in terms of Section 27 of the National Forests Act, 1998 (Act No.84 of 1998 as amended). The Minister responsible for Forestry leased four (4) areas of State Forests through an open tender process to four operators for a minimum of 70 years, namely Singisi Forestry Products (Pty) Ltd (SFP); Siyaqhubeka Forestry (Pty) Ltd (SQF); Amatole Forestry (Pty) Ltd (AFC) and MTO Forestry (Pty) Ltd.

- 2.2 The Minister responsible for Forestry established the Kabelo Trust to hold and manage rentals collected following the lease of State forests, for the benefit of land reform beneficiaries that held rights over the land where State forests were established. The beneficiaries of the Trust are successful land restitution claimants; communities that occupy State forests and which have been granted a right to the land. Kabelo Trust was established in terms of the National Forest Act 84 of 1998 by the Minister responsible for Forestry.

2.2.1. The objective of the Trust is to:

- Receive payments from the companies that are leasing State Forestry land affected by land reform.
- Invest such money on behalf of land reform beneficiaries as part of the Trust property.
- Pay lease rentals collected, and interest earned to the beneficiaries approved by the Department of Agriculture Land Reform and Rural Development when they receive rights in the State Forest or part of the State Forest involved.
- Pay the balance of all rentals received together with interest earned to the State or Ingonyama Trust where applicable when it is clear that there is no land claim approved for the particular State Forest or part of it; and
- Pay rental money or part of that money periodically to successful claimants.

- 2.3 To effect the objectives of the trust, the Kabelo Trustees need to develop well documented policies, system procedures, laws and regulations that will govern the administration of the trust.

- 2.4 The Trustees are also expected to ensure compliance with all statutory provisions and requirements that are

relevant to the trust, and these include:

- Public Finance Management Act (PFMA) section 76 (1) C;
- Treasury Regulations (TR) – all relevant chapters;
- Trust Property Control Act, No. 57 of 1988; and
- National Forest Act, 84 of 1998; or any other relevant legislation or provision that trustees deem fit.

- 2.5 In January of each year, the forestry companies pay rental lease into the DFFE bank account. These rental funds are then transferred and invested with the Public Investment Corporation (PIC) in an interest-bearing account that is administered by the DFFE.

3. OBJECTIVES

- 3.1 To provide independent audit of the trust financial statements and ensure that the financial records of the entity are accurate, transparent, and compliant with relevant laws, regulations, and financial reporting standards.
- 3.2 To ensure financial accountability by verifying that Kabelo Land Restitution and Development Trust funds are used appropriately and in accordance with the objectives of the Trust by enhancing transparency, providing reliable financial information to the stakeholders that adhere to laws, regulations, and accounting standards e.g. South African Auditing Practice Statements (SAAPS), International Standard on Auditing (ISA) and Trust Deed.
- 3.3 To confirm that Kabelo Land Restitution and Development Trust's financial resources are properly recorded and used for their intended purpose.
- 3.4 To identify risks and weaknesses in financial management and provide recommendations for improvement.

4. SCOPE AND EXTENT OF WORK

- 4.1 Evaluating the financial internal controls, financial statements, and compliance with applicable laws and regulations. The audit will cover the following areas:
- 4.1.1 **Financial Statements & Records**
- Audit the Trust's financial statements to ensure they present a true and fair value, verify accounting records, bank reconciliations, including assets, liabilities, income and expenses of the Trust funds and supporting documentation. Audit the accuracy, completeness, and timeliness of financial reporting.

Audit the effectiveness of internal controls over the financial reporting period and evaluate financial policies. Ensure compliance with Generally Recognised Accounting Principles (GRAP).

4.1.2 Trust Fund Management

Examine how the Kabelo Land Restitution and Development Trust funds are allocated and utilized, verify whether disbursements align with the Trust's objectives as per the Trust Deed, audit whether trust funds are adequately protected against misappropriation.

4.1.3 Internal Controls & Risk Management

Evaluate financial policies and procedures governing trust fund administration, audit internal controls related to approvals, record-keeping and financial oversight. Identify weaknesses that may lead to financial loss, fraud or non-compliance.

4.1.4 Compliance with South African Regulations

Audit compliance with the Trust Property Control Act, 1988, and other relevant laws, ensure adherence to applicable financial regulations, governance frameworks and Departmental policies.

4.1.5 Fraud Detection

Prepare a detailed audit report with findings, observations, and recommendations, provide corrective measures for identified deficiencies, and provide an audit opinion on the fairness and accuracy of financial statements in line with the Auditing Standards.

- 4.2 The appointed Service Provider must work with the DFFE to ensure that the audit periods under review are correct (2020/21,2021/22,2022/23, and 2023/24) and identify trends or inconsistencies, conduct sampling of financial transactions and documentation.
