13 DATA PRIVACY AND PROTECTION

13.1 The Service Provider acknowledges that in providing the Services to Sentech, the Service Provider may be exposed to Sentech's Data, including Data of any of Sentech's clients and/or other third parties.

13.2 The Parties specifically record that all Data provided by Sentech to the Service Provider, or to which the Service Provider may be exposed, shall constitute Confidential Information and as such, the Service Provider shall comply with all the provisions of clause 10 with regard to such Data.

13.3 The Service Provider hereby warrants in favour of Sentech that it shall at all times strictly comply with all applicable legislation and with all the provisions and requirements of the Sentech's Data protection policies and procedures, as may be updated from time to time, and any further requirements of which Sentech may, from time to time, advise the Service Provider in writing, or which may be required by legislation, regulation or any relevant industry body, whether within the Republic of South Africa or elsewhere in the world.

- 13.4 The Service Provider hereby warrants and undertakes that it shall not, at any time copy, compile, collect, collate, process, mine, store, transfer, alter, delete, interfere with or in any other manner use Data for any purpose other than with the express prior written consent of Sentech, and to the extent necessary to provide the Services to Sentech. All data and software, including Sentech Data, provided by Sentech or accessed (or accessible) by Service Provider Staff members shall be used by such Staff members only in connection with the provision of the Services and shall not be commercially exploited by the Service Provider in any manner whatsoever.
- 13.5 The Service Provider further warrants that it shall ensure that all its systems and operations which it uses to provide the Services, including all systems on which Data is copied, compiled, collected, collated, processed, mined, stored, transmitted, altered or deleted or otherwise used as part of providing the Services, shall at all times be of a minimum standard required by law and further be of a standard no less than the standards which are in compliance with the international best practice for the protection, control and use of Data.
- 13.6 The Service Provider indemnifies and holds harmless Sentech for any loss, whether direct or indirect, arising out of a failure to process any Sentech Data in accordance with the applicable laws.

14 BREACH

- 14.1 Should any Party ("the defaulting Party") commit a breach of any of the provisions of this Agreement, then the other Party ("the aggrieved Party") shall be obliged to give the defaulting Party 14 (fourteen) days' written notice or such longer period as may reasonably be required in the circumstances, to remedy the breach. If the defaulting Party fails to comply with such notice, the aggrieved Party shall be entitled to cancel this Agreement against the defaulting Party or to claim immediate payment and/or specific performance by the defaulting Party of all the defaulting Party's obligations whether or not the due date for payment and/or performance shall have arrived, in either event without prejudice to the aggrieved Party's rights to claim damages. The foregoing is without prejudice to such other rights as the aggrieved Party may have at law; provided always that, notwithstanding anything to the contrary contained in this Agreement, the aggrieved Party shall not be entitled to cancel this Agreement for any breach by the defaulting Party unless such breach is a material breach going to the root of this Agreement and is

incapable of being remedied by payment in money, or if it is capable of being remedied by payment in money, the defaulting Party fails to pay the amount concerned within 14 (fourteen) days after such amount has been finally determined.

15 WHOLE AGREEMENT

15.1 This Agreement constitutes the whole Agreement between the Parties as to the subject matter of this Agreement and no agreements; representations or warranties between the Parties other than those set out herein will be binding on the Parties.

16 VARIATION

16.1 This agreement, including this clause, cannot be varied, added to, or cancelled by agreement otherwise than by means of a further written and signed agreement between the parties.

17 RELAXATION

17.1 No latitude, extension of time or other indulgence which may be given or allowed by either Party to the other in respect of the performance of any obligation hereunder or the enforcement of any right arising from this Agreement and no single or partial exercise of any right by either Party shall under any circumstances be construed to be an implied consent by such Party or operate as a waiver of, or otherwise affect any of that Party's rights arising from this Agreement.

ANNEXURE A

Scope of Work

I. Background

Sentech is a state-owned company and the largest distributor of broadcasting signals in South Africa. Sentech is a licensed Electronic Communications Network Service provider in South Africa. It currently operates many telecommunication networks for Satellite, Television, Radio, Internet, and more. As such, Sentech is a global enabler of broadcasting and digital content delivery.

Sentech intends to appoint a panel of service providers for the manufacturing, supplying, delivering, rigging, installation, commissioning, and SLA maintenance agreement for open sets, containerized and canopy Standby Generators (STG), and control panels at various Sentech transmitter sites, on an “as and when” required basis for three (3) years with successful bidders. It is essential to note that Sentech promises no successful bidder any specific amount of work.

The bid is divided into three sections, for which any bidder may offer a bid for one or a combination of the sections, or for all the sections. If the bidder chooses to bid for more than one section, they should clearly separate the evidence substantiating their claims under the mandatory and functional evaluation criteria for each section bid for. Bidders are required to indicate the section for which they are bidding.

II. Description of the services

Appointment of additional service providers onto the panel of manufacturers, assemblers, and resellers of standby generators and standby generator control panels for the manufacturing, supplying, delivering, rigging, installation, commissioning, and SLA maintenance agreement for open sets, containerized, and canopy Standby Generators (STG) at various Sentech transmitter sites, on an “as and when” required basis for three (3) years

Maintenance for a period of Twelve (12) months after the warranty period:

- a. The service provider(s) under this Scope of Work (SOW) will be responsible for labour and tools required to carry out all repairs, support maintenance as outlined in this Scope of Work.

- b. The service provider (s) will be required to evaluate the equipment and provide Operation Manager with a maintenance schedule
- c. The service provider (s) must submit to the responsible operation manager for review, the work sheet/checklist that will be used for performing maintenance service.
- d. Service provider (s) shall provide all supervision, labour, tools, and equipment to perform maintenance for the listed generators.
- e. All personnel working in the vicinity shall wear and/or use safety protection while all work is performed. Any questions or injuries shall be brought to the attention of the Occupational Health and Safety representative or Electrician (OHS rep) or Sentech representative.
- f. Material Safety Data Sheets (MSDS) shall be provided by the service provider (s) for all HAZMAT materials
- g. Maintenance for Standby generator sets to be performed by a certified technician or diesel mechanic. Sentech reserves the right to verify the certification of the resources working on any of the projects at any time.
- h. Line manager must immediately be made aware of any condition discovered that could result in equipment failure
- i. Test and inspection report shall be submitted to the line manager within three (3) business days of completion of the work
- j. If any discrepancies are found with the standby generator system that are not covered under this scope of work, then the service provider (s) must provide the following:
 - i. Detailed report noting the discrepancy found
 - ii. Bill of Materials (BOM) to include component name, quantity, part number, and price for any repair material required and material lead time
 - iii. Price quote for repair labour
- k. The service provider (s) shall:
 - i. Provide maintenance and repair services as and when required by Sentech
 - ii. Provide only qualified, experienced or manufacturer certified repair technicians for the maintenance and repair services provided under this contract

 - i. The number of hours required to complete the service; and
 - ii. The replacement parts and/or materials required to complete the service

- c. Notify designated Operations Centre Manager immediately in the event a generator cannot be repaired the same day/visit
- d. Ensure that all replacement parts provided under this agreement are new and from the same manufacturer as the original part (s) or an equivalent that meets or exceeds OEM (Original Equipment Manufacturer) standards. All replacement parts should comply with the competition compensation ruling relating to South African automotive aftermarkets guideline.
- e. Service provider shall not provide any equivalent part (s) where its use will void any warranty of the equipment being serviced
- f. Any equivalent parts provided shall be approved by designated Operation Centre Manger
- g. All replacement parts shall have a minimum of a one (1) year warranty
- h. Ensure service providers personnel leave all serviced equipment and the service area safe, clean and ready for use
- i. Upon completion of the service, both designated Operation Centre personnel and the service provider (s) shall legibly sign off the work completed
- j. Warranty all repairs for 30days. Warranty repairs shall be coordinated with designated Operation Centre personnel within two (2) business days of the service provider receiving notification of a warranty claim. In the event a warranty claim threatens the malfunction or shutdown of a generator, the service provider shall immediately respond to the request for warranty service
- k. Service provider shall be responsible to correct any issues related to the repair at their own expense

III. Services areas
