Mandate

Our mandate is to achieve maximum and sustainable local development impact through leveraging Eskom's **procurement spend** in a manner that allows flexibility within the business in order to accommodate **government local development initiatives and policies**

SD&L measures impact along 5 key performance areas

Key performance areas	Definition
Skills development	Increasing the skill base (number and skill level) of South African workers in areas relevant to the energy sector and where there is a national scarcity of skills
Local content	Utilisation of Transmission spend to develop South African based manufacturers/suppliers by ensuring that local content in line with DTI designated commodities is adhered to and advanced
Industrialisation	Utilisation of Eskom and suppliers' spend to foster the establishment of new competitive industries in the Transmission sector
Employment and job creation	Creation of <u>new</u> jobs by suppliers as a direct result of Transmission business
Supplier development	Providing a platform to develop emerging suppliers, and further contribution to local developmental opportunities for national and international suppliers

- The 90:10 OR 80:20 rule will apply in this project:
- B-BBEE = 10 /20
- Price = 90 /80

Type of Jobs to be retained	Number of Jobs to be retained

SDL&I Objectives in Line with RDP Goals

1. Skills development

Tenderers are required to submit proposals in a table below for developing the skills of unemployed candidates in the country. Skills development is intended to address Eskom's core, scarce and critical skills and the scarce and critical skills. These skills are also included in a 2020 list of occupations in high demand as stipulated in the Government Gazette 43937. Candidates shall be from all provinces in the country, and their composition shall be representative of the population demographics of South Africa

Category	Supplier 's proposal
University or University of Technology Bursary	

For every R 2.5 Million Invoiced the contracted supplier shall offer a University of technology or University bursary valued at R 50 000.00.

The process of developing these skills shall involve the participation by tenderers directly and through their supply network. In certain cases, the SETA's accredited training providers can be approached to participate in developing critical and scarce skills.

Note: That these targets for skills development candidates categorically exclude Eskom employees and registered learners. The tenderers are required to take full responsibility for the total cost of developing the requisite skills, and Eskom shall not make any financial contribution towards the fulfilment of this obligation. Tenderers also are advised to approach their relevant SETAs to access grants, subsidies, and incentives as well as South African Revenue Services for tax rebates that are earmarked for skills development initiatives

- Implementation schedule to be submitted within a month of contract signing.
- Quarterly or monthly reports on progress of implementation of SD&L to be submitted to the PM.
- SDL&I penalty (2.5% retention / Performance Bond)
