## **RFP - PART A:**

### **INTRODUCTION**

The Gauteng Gambling Board is a statutory body established in terms of Section 3 of the Gauteng Gambling Act, No 4 of 1995, as amended (the Act).

The Board falls under the definition of "provincial public entity" in terms of Section 1 of the Public Finance Management Act, No 1 of 1999 ("PFMA"), and is listed in Schedule 3 to that Act as being one of the public entities in respect of which the legislation applies.

Prior to August 1996, betting on horse-racing and other sporting events was the only form of legal gambling in Gauteng. During August 1996, the Act was promulgated. This Act legalised other forms of gambling in the Province and provided for the establishment of the GGB Board.

The following forms of activities are regulated by the GGB in Gauteng:

- Casino gaming
- Betting on horse-racing and sporting events
- Bingo
- Limited payout gaming machines (Route and site operators)
- The manufacturing and supply of gambling equipment

The GGB is inviting responses to this Request for Proposal (reference number RFP/GGB/03/2020) in order to appoint a suitably qualified and experienced service provider to render security services for a period of one year in this RFP PART B – Terms of Reference. The successful bidder is required to provide a detailed response to adequately render the services within GGB.

The appointment of a successful service provider is subject to the conclusion of a service level agreement between the GGB and the service provider.

## **STATUS OF TENDER**

58. Each Tender constitutes an irrevocable offer by the Bidder to the GGB to provide the Services required and otherwise to satisfy the requirements of the Terms of Reference as set out in this RFP Part B.
59. A Tender must not be conditional on:

63. In particular, Bidders must state if they will not comply with the Terms of Reference, or will only comply with the Terms of Reference subject to conditions. Full details of the non-compliance (including the nature and extent of the non-compliance and any reasons for such non-compliance) must be stated in the space provided in the tabulated statement.
64. No response is required in respect of a particular section of the Terms of Reference where Bidders will comply with the Terms of Reference. Only sections that Bidders have not complied with, or will only comply with subject to conditions, should be noted in the tabulated statement.
65. The GGB is prepared to contemplate minor variations or departures from the Terms of Reference proposed by Bidders.
66. However, Bidders should note that significant or substantive variations or departures from the Terms of References will not be viewed favourably unless the Bidder is able to clearly demonstrate to the satisfaction of the GGB the necessity for such variations or departures.

*Note to Bidders: The GGB will assume that a Bidders Response complies in all relevant respects with the Terms of Reference unless the Bidder states otherwise. Failure to notify the GGB of any non-compliance may result in a Bidders Response being disregarded.*

## **GENERAL**

67. Indefinite responses such as "noted", "to be discussed" or "to be negotiated" are not acceptable.
68. Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Tender, or be included in a general statement of the Bidders usual operating conditions.
69. An incomplete Tender may be disqualified or assessed solely on the information completed or received with the Tender.

## **INNOVATIVE SOLUTIONS**

70. Bidders are encouraged to offer options or solutions which may, in an innovative way, contribute to the GGB's ability to carry out its operations in a more cost-effective manner.
71. These options or solutions may be related to:
  - a. The outputs, functional, performance and technical aspects of the requirement;
  - b. Opportunities for more advantageous commercial arrangements.
72. Any such options or solutions will be considered by the GGB on a "commercial in confidence" basis if so requested by the Bidder.
73. Where a Bidder submits an offer which meets the requirements of this RFP in an alternative and practical manner, the Tender must also include any supplementary material (including such pricing and costing details as may be necessary to enable the GGB to fully assess the financial impact of the alternative proposal), which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.
74. The GGB reserves the right to consider such offers on their merits or not to consider them at all.

## **CONTRACT DISCLOSURE REQUIREMENTS**

### **DISCLOSURE OF INFORMATION**

75. The Conditions of Tendering include a provision for the disclosure of contract information (refer to this RFP Part A dealing with "Use of Tenders").
76. If a Bidder wishes to withhold the disclosure of specific contract information, the Bidder must clearly outline how the release of this information will expose trade secrets, business strategy or unique methodologies that may expose the business unreasonably to disadvantage.

### **TRADE SECRETS**

77. In considering whether specific information should be categorised as a trade secret, Bidders' should assess:
- a. The extent to which it is known outside of the Bidders business;
  - b. the extent to which it is known by the persons engaged in the Bidders business;
  - c. any measures taken to guard its secrecy;
  - d. its value to the Bidders business and to any competitors;
  - e. the amount of money and effort invested in developing the information; and
  - f. the ease or difficulty with which others may acquire or develop this information.

### **UNREASONABLE DISADVANTAGE**

78. In determining whether disclosure of specific information will expose a Bidders business unreasonably to disadvantage, the following should be considered:
- a. Whether the information is generally available to competitors; and
  - b. Whether it could be disclosed without causing substantial harm to the competitive position of the business.

GGB will consider these applications in the Tender evaluation and negotiations (if any) with Bidders.

## **EVALUATION OF TENDERS**

### **EVALUATION PROCESS**

79. Following the Closing Time, the GGB intends to evaluate the Tenders received.
80. Tenders will be evaluated against the Evaluation Criteria specified under the section "Evaluation Criteria Format".
81. Without limiting the GGB's rights in the RFP, the GGB may at any time during the Tendering Process choose to:
- a. Shortlist one or more Bidders; and
  - b. Accept one or more of the Tenders.
  - c. Visit the bidder's site or call them for presentations,

82. Unless the Evaluation Criteria explicitly require, the GGB may, but is not in any way bound to, shortlist, to select as successful, or to accept the Tender offering the lowest price.
83. Should the GGB choose to include a short listing stage in its evaluation process, the GGB is not, at any time, required to notify Bidders or any other person or organisation interested in submitting a Tender.
84. A Bidders Response will not be deemed to be unsuccessful until such time as the Bidder is formally notified of that fact by the GGB. The commencement of negotiations by the GGB with one or more other Bidders is not to be taken as an indication that any particular Bidders Response has not been successful.

## **EVALUATION CRITERIA FORMAT**

85. The evaluation criteria are weighted to reflect the importance of project requirements noted in the Terms of Reference.
86. In evaluating Bidders Responses, the GGB will have regard to:
- a. Specific evaluation criteria identified in the list below;
  - b. the overall value for money proposition presented in the Bidders Response; and
  - c. particular weighting assigned to any or all of the evaluation criteria specified below.
87. For the purposes of this RFP clause 90, 'value for money' is a measurement of financial and non-financial factors, including:
- a. Quality levels; and
  - b. performance standards.
88. Value for money will be assessed on a 'whole of life' basis (including the transitioning-in, the contract term and the transitioning-out phases of the relationship between the GGB and a Bidder), with a view to long-term sustainability of the value for money proposition and with a focus on ensuring that value for money outcomes are promoted and protected following the conclusion of any contract that may result from this RFP.
89. Administrative compliance will be determined in accordance with the conditions listed in this RFP.
90. The evaluation criteria will be in line with the PPPFA, 2000 (Act No. 5 of 2000) and Preferential Procurement Regulations 2017 as amended.
91. Evaluation will be based on a point system and two-stage evaluation process. As a pre-requisite, a bid must comply with the requirements of the bid solicitation and meet the minimum threshold of the functionality evaluation criteria to be declared responsive and qualify to the next evaluation stage.

92. The value of this bid is estimated to be less than R 50 000 000.00 and therefore the 80/20 preference point system shall apply. The following is the weighting awarded for each element, and the threshold score.

Evaluation element	Weighting	Threshold score

## CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document must form part of all bids<sup>1</sup> invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for GGB which wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

<sup>3</sup> Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

I, the undersigned, in submitting the accompanying bid:

RFP/GGB/03/2020 - SECURITY SERVICES (Bid  
Number and Description)

In response to the invitation for the bid made by:

GAUTENG GAMBLING BOARD (Name  
of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

3. I am authorised by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorised by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organisation, other than the bidder, whether or not affiliated with the bidder, who:
  - (a) has been requested to submit a bid in response to this bid invitation;
  - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
  - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium<sup>3</sup> will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
  - (a) prices;
  - (b) geographical area where product or service will be rendered (market allocation);
  - (c) methods, factors or formulas used to calculate prices;
  - (d) the intention or decision to submit or not to submit, a bid;

ms

- (e) the submission of a bid which does not meet the Terms of References and conditions of the bid; or
  - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, Terms of References and conditions or delivery particulars of the products or services to which this bid invitation relates.
  9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
  10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
