Subtotal				R -	R -
VAT				R -	
Total Including VAT				R -	R -
Note: The items on this schedule are not conclusive. The bidder can provide any other relevant costs to the scope of services and evaluation will be based on total projected costs. Bidders should note that their commercial offer must be fixed and firm to cover the entire duration of the project (36 months). This table is a guide, if the supplier has a better costing framework, they may utilize it.
