Bid Strategy

The Nelson Mandela Academic Hospital, Mthatha Regional Hospital, Mthatha Depot and OR Tambo District seek to establish a panel of service providers to lease accommodation for clinicians. The reason for having a panel is to improve the service previously received and curb the expenditure on this item while ensuring secure, cheaper and more suitable accommodation at Mthatha (OR Tambo District Area).

These Health Facilities have been providing accommodation for its clinicians for a number of years, as a strategy to attract and retain the services of clinicians that would otherwise be more inclined to go to the more urban areas like East London, Port Elizabeth or even bigger places outside the Eastern Cape Province. This accommodation used to be highly inflated and limited to flats, due to the high demand for a limited supply of housing units in Mthatha OR Tambo District Area.

This is to request to embark on a new process of bidding for additional accommodation in order to avoid a catastrophic situation where the clinicians have no place to stay. This will result in most leaving OR Tambo region. Mthatha is considered rural by most clinicians, hence the challenge and reluctance to get young and talented people to come and seek employment. This accommodation is a huge challenge for the department and requires the community of OR Tambo to join in and come with a solution that will assist in ensuring

continuity in rendering the service. It is a crucial requirement in the retention of critical clinical staff for the Health Institutions in question.

A bid will be considered further if it achieves the minimum qualifying score of 34 points for functionality. Bids that fail to achieve the minimum qualifying score for functionality will be disqualified. Maximum score = 98 points and a minimum score = 34 points to proceed further for evaluation. Minimum score is determined by the offer. e.g. Single rooms only 34, Bachelors only 39.

NOTE WELL:

This Bid will accommodate Nelson Mandela Academic Hospital, Mthatha Regional Hospital, Mthatha Medical Depot and OR Tambo district office. Each center will be responsible for its allocation of Clinicians, official purchase order and supplier payments.

NB: This is a panel of service providers to be used when the need arise and the appointed bidder will be paid per occupancy after receipt of an official government purchase order. Water and Electricity will be the responsibility of the tenant, service provider to ensure facilitation of such before commencement of the contract.

Part 5 – Schedule H
Certificate of Independent Bid Determination

SBD 9

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). ² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
