

## ANNEXURE 1

### 1. SPECIFICATION

CEF (SOC) seeks the services of a local plumbing consumables retailer situated around the Sol Plaatje Local Municipality vicinity to supply & deliver plumbing consumables to Sol Plaatje Local Municipality for the National Solar Water Heater Project on a consignment agreement. The appointed retailer must note the following;

- the plumbing consumables will be ordered in batches of **four**;
- a new batch order with items listed in the Bill of Quantities (BoQ) will be placed every fortnight;
- the batch order will not be limited to the plumbing consumables listed in the original BOQ, slight changes may be made to the order;
- and ensure that the consumables are in stock and ready for delivery **7 working days** after order has been concluded;
- all record of issued consumables are kept for invoicing purposes and record keeping
- Ability to meet the required lead times, the bidder should be able to meet the lead-time of seven working days to deliver material after order confirmation.
- Due to the structural inconsistencies with the identified beneficiary homes, the above components may change thus the supplier may be required to replace, exchange or cancel certain components in the above BoQ.
- This BoQ details typical materials/plumbing consumables, which may be required.
- The prospective supplier is requested to explicitly indicate which listed components are not returnable and kindly advise lead time on these items . Such items should only be ordered on receipt of written mail from Project Manager.
