1.	Clause 7(a) of the Bid Specification Document states a PSIRA Requirement, kindly elaborate the clause.	The PSIRA requirement won't be applicable in this instance because the bidder won't be physically installing the components, they will be delivering Dell components and connecting them into an existing power supply.
2.	Can a Dell Registered Partner that has resources that are certified by Dell respond to the bid?	As long as a bidder is certified by Dell as a reseller and they have a Dell certification that their resources are Dell certified then a bidder can respond to the bid.
3.	<u>Bid Submission Format</u> -On page 07 of the Invitation to Bid document, it is stated that an original proposal in hard copy and an electronic version of the original using a flash drive (USB) is required. -On page 06 of the Bid Specification document, it is stated that one original document, one copy and two copies on memory stick / USB are required.	The Bid Specification document states a specific number of documents required. Therefore, one (01) original document, one (01) copy and two (02) copies on memory stick / USB are required. NOTE: MAKE SURE THAT ALL THE REQUIRED DOCUMENTS ARE ATTACHED ON ALL THE SUBMITTED DOCUMENTS.
