National Industrial Participation Programme

This document must be signed and submitted together with your bid

(Applicable to bids with imported / foreign content of more than 10M US Dollars)

1 Introduction

- 1.1 The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on the 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all State and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

2 Pillars of the programme

- 2.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US\$ 10 million or other currency equivalent to US\$ 10 million shall have an NIP obligation. This threshold of US\$ 10 million can be reached as follows:
- 2.1.1 Any single contract with imported content exceeding US\$10 million; or
 - 2.1.2 Multiple contracts for the same goods, works or services each with imported content exceeding US\$3 million awarded to one seller over a 2 year period which in total exceeds US\$10 million; or
 - 2.1.3 A contract with a renewable option clause, where should the option be exercised the total value of the imported content shall exceed US\$10 million; or
 - 2.1.4 Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US\$ 3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US\$10 million.
- 2.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 2.1.1 to 2.1.4 above shall amount to 30 % of the imported content whilst suppliers in respect of paragraph 2.1.4 shall incur 30% of the total NIP obligation on a *pro-rata* basis.
- 2.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.

- 2.4 A period of seven years has been identified as the time frame within which to discharge the obligation.

3 Requirements of The Department of Trade And Industry

- 3.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million rand), submit details of such a contract to the DTI for reporting purposes.
- 3.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million rand) is to cater for multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 2.1.1 to 2.1.4 above.

4 BID submission and contract reporting requirements of bidders and successful bidders (contractors)

- 4.1 Bidders are required to sign and submit this Standard Bidding Document (SBD 5) together with the Bid on the closing date and time.
- 4.2 In order to accommodate multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as indicated in sub-paragraphs 2.1.2 to 2.1.4.
- 4.2.1 above and to enable the DTI in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of R10 million (ten million rand), to contact and furnish the DTI with the following information:
- 4.2.1.1 bid or contract number.
 - 4.2.1.2 description of the goods, works or services.
 - 4.2.1.3 date on which the contract was accepted.
 - 4.2.1.4 name, address and contact details of the government institution.
 - 4.2.1.5 value of the contract.
 - 4.2.1.6 imported content of the contract, if possible.
- 4.3 The information required in paragraph 4.2.1 above must be sent to the DTI, Private Bag X 84, Pretoria, 0001 for the attention of Mr Elias Malapane within five (5) working days after award of the contract. Mr Malapane may be contacted at telephone (012) 394 1401, facsimile (012) 394 2401 or e-mail at Elias@thedti.gov.za for further details about the programme.

5 Process to satisfy the NIP obligation

- 5.1 Once the successful bidder (contractor) has made contact with and furnished the DTI with the information required, the following steps shall be followed:
- 5.1.1 the contractor and the DTI shall determine the NIP obligation;

- 5.1.2 the contractor and the DTI shall sign the NIP obligation agreement;
 - 5.1.3 the contractor shall submit a performance guarantee to the DTI;
 - 5.1.4 the contractor shall submit a business concept for consideration and approval by the DTI;
 - 5.1.5 upon approval of the business concept by the DTI, the contractor shall submit detailed business plans outlining the business concepts;
 - 5.1.6 the contractor shall implement the business plans; and

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
