SPECIAL CONDITIONS OF BID	
These Special Conditions of Contract are applicable to this bid by the Western Cape Government: Department of Health and Wellness ("the Department"). Should there be a conflict between the provisions of these Special Conditions of Contract and those of the General Conditions of Contract, the provisions of these Special Conditions of Contract shall prevail.	
1. APPLICATION	1.1 These Special Conditions of Contract ("SCC") are applicable to this bid invited and to be awarded by the Department. 1.2 By submitting a bid in response to the bid invitation from the Department, a bidder accepts and agrees to these SCC, as well as the provisions of the General Conditions of Contract for Government Procurement as issued by National Treasury ("GCC"), unless specified otherwise in writing.
2. SPECIFIC EXCLUSIONS	The following clauses of the GCC are specifically excluded and shall not form part of the contract to be awarded and concluded with the Department: 2.1 Subcontracts – clause 20; 2.2 Penalties – clause 22; 2.3 Force Majeure – clause 25; 2.4 Settlement of Disputes – clause 27; and 2.5 Limitation of liability – clause 28.
3. REPLACEMENT CLAUSES	3.1 <i>Clause 20 of the GCC is substituted with the following:</i> Subcontracts 3.1.1 Notwithstanding any provision to the contrary contained in the bid documents, the primary responsibility for rendering the services rests with the successful bidder and it may not subcontract, assign, cede, delegate or transfer, in whole or in part, any of its obligations to render the service to any other person, without the prior written consent of the Department. 3.2 <i>Clauses 22 and 28 of the GCC are substituted with the following:</i> Penalties and Damages 3.2.1 The Department may, in respect of every breach, impose penalties in terms of clause 22 of the GCC (or such other penalties as may be agreed upon), or claim damages <i>in lieu</i> of a penalty. 3.2.2 The Department's decision to impose a penalty, or claim damages <i>in lieu</i> of a penalty, shall not prevent it from exercising any other rights it may have in law, including, but not limited to, the right to claim specific performance. 3.2.3 In the event of cancellation of the contract due to breach, the non-defaulting Party shall be entitled to recover all damages which may be suffered as a result of such breach, or from any liability which the non-defaulting Party may directly or indirectly incur as a result of such breach. 3.2.4 The successful bidder shall indemnify the Department against any and all claims which may be made against the Department, or any losses the Department may incur, for any claim that may arise as a result of injury or damage suffered by any person, arising out of, or as a consequence of the execution of the contract and/or the rendering of the services in terms of this bid. 3.2.5 Clause 3.2.4 shall survive the termination of the contract. 3.3 <i>Clause 27 of the GCC is substituted with the following:</i> Settlement of Disputes

	Force Majeure
	3.4.1 The successful bidder accepts and understands that the nature of the services requires it to perform in terms thereof and accordingly the successful bidder shall not be excused from the performance of its obligations and needs to ensure that it has procedures in place to ensure that it renders the services as and when required by the Department.
	3.4.2 Neither of the Parties shall be liable for a failure to perform any of its obligations insofar as it proves – 3.4.2.1 that the failure was due to an impediment beyond its control; 3.4.2.2 that it could not reasonably be expected to have taken the impediment and its effects upon the Party's ability to perform into account at the time of the conclusion of this Agreement; and 3.4.2.3 that it could not reasonably have avoided or overcome the impediment or its effects. 3.4.3 An impediment, as aforesaid, may result from events such as the following (this list is not exhaustive) – 3.4.3.1 war, whether declared or not, civil war, civil violence, riots and revolutions, acts of sabotage; 3.4.3.2 natural disasters such as violent storms, cyclones, earthquakes, tidal waves, floods, destruction by lightning; 3.4.3.3 explosions, fires, destruction of machines, of factories and of any kind of installations; 3.4.3.4 acts of authority, whether lawful or unlawful, apart from acts from which the party seeking relief has assumed the risk by virtue of any other provisions of this Agreement. 3.4.4 Relief from liability for non-performance by reason of the provisions of this clause shall commence on the date upon which the 3.4.5 Party seeking relief gives notice of the impediment relied upon, and shall terminate upon the date upon which such impediment ceases to exist; provided that if such impediment continues for a period of

		more than 60 (sixty) Business Days, any of the Parties shall be entitled to terminate this Agreement on 30 (thirty) Business Days written notice.
4. CONTRACT PERIOD	4.1	The contract will be awarded for a three (3) year period.
5. PAYMENT	5.1	The Department will pay the successful bidder for the services rendered or goods provided.
	5.2	Notwithstanding the Department's right to impose penalties, the Department may also withhold payment in respect of services not rendered or goods not supplied in accordance with the contract with the successful bidder.
6. WAIVER	6.1	No waiver of any of the terms and conditions of the contract shall be binding unless expressed in writing and signed by the party giving the same, and any such waiver shall be granted only in the specific instance and for the purpose given.
	6.2	No failure or delay on the part of either party in exercising any right, power or privilege precludes any other or further exercising thereof or the exercising of any other right, power or privilege.
	6.3	No indulgence, leniency or extension of time which any party ("the Grantor") may grant or show the other party, shall in any way prejudice the Grantor or preclude the Grantor from exercising any of its rights in terms of the contract.
7. BREACH		
WESTERN CAPE GOVERNMENT: HEALTH DIRECTORATE: SUPPLY CHAIN (INFRASTRUCTURE SOURCING) BID OPENED 11:00 2023-08-23 1)..... SIGNED 2)..... SIGNED	7.1	Should a party breach any or all of the terms and conditions of the contract and remain in such breach for 14 (fourteen) calendar days after receipt of a written notice calling upon it to remedy such breach, then the party who served such notice shall be entitled, in addition to any remedy which it may have in law, to cancel the contract, to remedy the breach itself, claim specific performance and/or to claim damages.
	7.2	Notwithstanding the conditions of paragraph 7.1 above, the Department reserves the right to extend to the successful bidder the opportunity to rectify shortcomings in the successful bidder's service.
	7.3	In the case where the successful bidder remains in breach despite the notice as contemplated in paragraph 7.1, the Department may impose penalties as contemplated by paragraph 7.2 above or claim damages in lieu of penalties.
	7.4	Notwithstanding the provisions contained in paragraphs 7.1 to 7.3 above, the Department may elect to appoint a third party without notice to render the services at the successful bidder's expense as an interim measure, if the Service Provider fails to render the services for a period of more than 7 (seven) calendar days.
8. CONFIDENTIALITY AND DISCLOSURE		
	8.1	The successful bidder must treat all information and records furnished to it by the Department, or arising from the execution of the contract, as confidential. The successful bidder will not disclose this information to a third party without the Department's prior written consent.
	8.2	The Department may only disclose records of the bidder, including the bidder's bid response, to a third party in accordance with the provisions of the Promotion of Access to Information Act 2 of 2000.
	8.3	The successful will not, without the prior written consent of the Department, cause any public statement to be made relating to the contract with the Department.
	8.4	This clause and its sub-clauses will survive termination of the contract between the parties unless otherwise agreed in writing.

9. INDEMNITY	9.1 The successful bidder hereby indemnifies the Department against any and all claims which may be made against the Department, or any losses the Department may incur, for any claim that may arise as a result of injury or damage suffered by any person, arising out of, or as a consequence of the execution of the contract and/or the rendering of the Services.
	9.2 Clause 9.1 shall survive the termination of the contract.
10. COMPLIANCE WITH OCCUPATIONAL HEALTH & SAFETY ACT	10.1 The Department and the successful bidder hereby agree, in terms of the provisions of Section 37(2) of the Occupational Health and Safety Act, 1993 (Act 85 of 1993, hereinafter referred to as "the Act"), that the following arrangements and procedures shall apply between them to ensure compliance by the Successful bidder with the provisions of the Act, namely:
	10.2 The successful bidder undertakes that the appropriate officials and employees of the Successful bidder will fully acquaint themselves with all relevant provisions of the Act and the Regulations promulgated in terms of the Act;
	10.3 The successful bidder undertakes that all relevant duties, obligations and prohibitions imposed in terms of the Act and Regulations will be fully complied with;
	10.4 The successful bidder hereby accepts sole liability for such due compliance with the relevant duties, obligations and prohibitions imposed by the Act and Regulations, and expressly absolves The Department from itself being obliged to comply with any of the aforesaid duties, obligations and prohibitions.

	10.6 The successful bidder shall be obliged to report forthwith to The Engineer any investigation, complaint or criminal charge which may arise as a consequence of the provisions of the Act and Regulations, pursuant to work performed in terms of this contract, and shall, on written demand, provide full details in writing of such investigation, complaint or criminal charge;
	10.7 All services, inspections, maintenance work and testing will be carried out in a legal, safe and responsible manner as contained in your Health and Safety File.
11. ENTRY TO THE PREMISES	11.1 The successful bidder shall be subject to Department security regulations or arrangements in force and acknowledges that it will be obliged at all times to obtain security clearance to enter & work on the premises.
	11.2 The successful bidder shall only use that part of the Premises necessary to carry out its duties. The successful bidder is not permitted to have access to any other part of the premises unless specifically authorised in writing and in advance by the contract manager.
	11.3 The successful bidder and their staff are to be presentably dressed and prominently displaying their Company's logo whilst on site. Should there be protest/unrest at any facility, the successful bidder needs to contact the facility manager/Department representative to assist with access to the premises. This means that contact details need to

		be readily available for communication purposes. They may also ask onsite security to assist or alternatively make use of any other access point e.g. road to the facility.
12. VEHICLES ON THE PREMISES	12.1	The successful bidder agrees that it's vehicles will be driven, parked and otherwise dealt with on the premises at the owner's or user's own risk and subject to rules or regulations in force at any given time.
13. CONTRACTORS EQUIPMENT AND MATERIALS	13.1	The successful bidder shall be solely responsible for ensuring the security and safety of its own personal property, including all equipment and material brought onto the premises for use by the successful bidder, and the Department shall not be responsible for loss or damage thereto, howsoever caused.
14. ACCIDENTS 	14.1	The successful bidder, whether involving persons or property, shall report every accident on the premises, immediately to the Department's Engineering representative, including accidents, which did not, but could have led to personnel injury or loss of limb or damage to property. Reportable incidents shall be dealt with as prescribed in the Act. If the person is not directly employed by the successful bidder, the accident shall in addition, be reported by the successful bidder, to the injured person's employer. Any accidents involving loss of limb are to be reported directly to the Department of Labour and copied to the Department's Engineering representative immediately.
15. FIRE PRECAUTIONS	15.1	The successful bidder shall ensure that all persons engaged to work on the premises are aware of and familiar with the protection procedures and systems in operation on the Premises. 15.2 Before any hot work is performed i.e grinding ,welding or making use of an open flame the contractor will apply to the Facility for a Hotwork Permit for each day to be issued to them prior to any hot work undertaken (example of a permit see Annexure A)
16. STANDARD OF MATERIALS AND REPORTS	16.1	All materials and equipment supplied and/or installed under this contract shall be new and the best of their respective kinds and shall comply with the requirements laid down in the latest editions of the relevant SANS or ISO and ASME or relevant code of manufacture and with the requirements of this agreement.
	16.2	All reports provided by the successful bidder as required by the Department under the contract shall be in line with all applicable SANS.
17. WARRANTY	17.1	Any equipment supplied shall be in line with the manufacturer standard warranty.
18. QUANTITY	18.1	This provisional pricing schedule forms the basis for competitive bidding. The quantities in this provisional pricing schedule are an indication only of the works to be executed and are subject to remeasurement and under no circumstances an indication of the extent of the work to be performed. Rates will remain fixed and will form the basis of all remeasurements, thus this is not a fixed price contract and will vary depending on the quantities. This provisional pricing schedule forms the basis for competitive bidding.
19. SERVICE LEVEL AGREEMENT	19.1	The successful bidder will enter into a service level agreement with the Department before the contract commences.

Bid - Part 1

TECHNICAL SPECIFICATION

1. Bid Specification

Bids are invited for the inspection, re-certification where necessary, and testing of pressure vessels, inspection, re-certification where required, testing of pressure equipment, effecting necessary repairs and the supply and installation of medical air receivers as well as the facilitation of the registration of steam generators where required at all facilities of WCGHW.

Before bidding, all bidders shall acquaint themselves with the existing conditions at all WCGHW facilities by visiting the facilities. Prior arrangements to be made before testing equipment to avoid interruptions of essential services. No additional claims will be entertained.

1.1 Applicable Documents

1.1.1 General Conditions of Contract

1.1.2 Occupational Health and Safety Act 1993 **latest amendment** (referred to as OHS Act).

1.1.3 SANS 10227: 2007 - Criteria for the operation of inspection authorities performing inspection in terms of the Pressure Equipment Regulations

1.1.4 SANS 347: 2010 - Categorization and conformity assessment criteria for all pressure equipment

2. Acceptance or Rejection of Bids

2.1 The WCGHW (see Special Conditions of Contract) reserves the right to accept or reject a bid without giving reasons.

2.2 The WCGHW also reserves the right to award the bid as a whole to a single entity or award different portions of the bid to different contractors.

2.3 Bidders must provide the Department with a Ten million Rand (R10 million) Public Liability Insurance from an Accredited Insurer at the time of award within seven (7) days that will cover all the Health Facilities where they will do pressure test and perform repairs on Pressure Vessel Equipment

3. Confidential Information

3.1 Only bids that are fully completed and which divulge full details of the service supplied will be considered.

4. Stock Levels

4.1 The contractor will at all times be required to hold stock of all fittings, fixtures and tools required for the execution of the job.

4.2 For minor repairs e.g. replacement of pressure gauges and/or pressure relief valves, electrical elements, gaskets etc., the contractor shall guarantee prompt replacements with no prejudice to the normal functioning of the institutions. These items shall be replaced while on-site.

5. Responsibilities of the Contractor (Inspection Authority) and specification.

The contractor (inspection authority) will be required to:

5.1 Prior to starting any work at a facility the attached list of vessels under pressure shall be

updated to encompass all pressure equipment (vessels under pressure) to be inspected and tested. The inspection authority shall conduct a full audit of the facilities contained in the attached schedule, to ensure that all items contained in the OHS Act definition for pressure equipment are included in the list, and that all items falling outside the definition of pressure equipment are removed from the list.

- 5.2 The inspection authority shall then arrange with the relevant staff at the institution that the pressure equipment are made available for inspection and testing at a mutually acceptable time to prevent unnecessary disruptions.

5.2.1 Bidders should note that all Dental clinics are fully booked and any pressure testing should have to take place after hours by prior arrangements. Bidders can supply the Dentistry with a temporary medical air supply while pressure testing the installed equipment.

- 5.3 For any pressure equipment requiring re-certification i.e. loss of data plate, or whenever downgrading to a lower pressure is strictly necessary as a result of in service caused weaknesses, i.e. severe corrosion etc., the relevant person in authority at the institution shall be immediately informed of such situations, for authorization to proceed with whichever the least costly, quickest and safest solution is available.

5.3.1 Either activities above specified where required, shall have to be undertaken in accordance to the Code of Practice SANS 10227: 2007 and code of manufacture as revealed on the data plate.

5.3.2 Upon completion of a repair or modification, the inspection authority shall issue a certificate of continuance, to enable the pressure equipment to be put back safely into service in accordance to the original design conditions as displayed on the data plate.

- 5.4 Where minor repairs are required to return a vessel to full compliance with the OHS Act, e.g. replacement of a pressure gauge, replacement of a drain valve or replacement of a pressure release valve, it must be discussed with the responsible person/facility manager at the institution, and this shall be replaced with his permission. Replacement of items not listed in the price schedules shall be limited to R5000.00 per event. It will be the responsibility of the successful bidder to remove and/or discard all replaced materials and spares.

- 5.5 The inspection authority shall then proceed to inspect and test the pressure vessels in accordance with all requirements as contained in the Vessels under Pressure Regulations of the OHS Act (latest amendment).

- 5.6 On completion of the pressure test the equipment will be restored to working order. Staff at the facility will witness the functionality of the equipment on completion. Payment will only be effected if the above is verified by the staff at the establishment i.e. the sign-off of a detailed comprehensive job card. The job card shall entail the working condition of the equipment prior and after pressure vessel testing.

- 5.7 All vessels that are not considered acceptable for continued use, shall immediately be reported to the Chief Engineer as well as the person in authority at the institution for immediate alternative arrangements. For all vessels found safe for continued use, an inspection report shall be completed and signed by the inspection authority's competent person. The inspection report shall include the inspection results, the areas displaying deterioration and where applicable the extent of repairs/modifications that were undertaken in order to restore its integrity.

A wall thickness chart plus sketch revealing gauging points shall at all times irrespective of the statement compiled, and this shall be attached to the technical report.

5.7.1 A preliminary report revealing the extent of deterioration and remedy action required together with digital photos, shall be sent the following day after the inspection has taken place, by e-mail to the WCGHW Engineering and Technical Support Services(referred to as Engineering), to enable them to appoint an approved supplier capable of restoring the integrity of such vessels.

5.7.2 The inspection authority shall, upon instruction received from the institutionsand prior to any official appointment of a repairer, be in a position of assessingthe various quotations for their approval, to ensure the selected bidder meets the requirements of the codes specified in paragraph 5.3.1.

5.8 The inspection authority empowered by the Pressure Equipment Regulations of the ACT, shall upon request from WCGHW, consider the approval of exemptions from pressure testing, for periods of time and conditions to be agreed upon, of all those vessels for which the initial inspection and testing may reveal no weaknesses, and where the likelihood of deterioration through corrosion may show to be remote.

5.9 The inspection authority shall maintain a database of all pressure vessels at each facility. The database shall be in a format acceptable to the WCGHW and shall as a minimum contain:

- (i) Name of Institution;
- (ii) Pressure vessel identification;
- (iii) Pressure vessel location;
- (iv) Maximum permissible operating pressure
- (v) Test pressure
- (vi) Volume of vessel
- (vii) Date manufactured
- (viii) Date of inspection and test, and
- (ix) Results of inspection and testing.

This database shall be made available to WCGHW in an electronic format on completion of the contract.

5.10 A complete inspection report in the format of Annexure B will be issued by the contractor for every Vessel under pressure.

5.11 Prepare steam generators for inspection where required.

6. **Obligations of the Service Provider**

6.1 The Service Provider must render the Services in a proper and professional manner taking into consideration the standard of professional and ethical competence and integrity expected of professionals rendering the type of Services required. In doing so the Service Provider –

- 6.1.1 must exercise reasonable skill, care and diligence in performing the Services;
 - 6.1.2 ensure that the Services are performed in accordance with the levels of Service and specifications required by WCGHW;
 - 6.1.3 report, in the manner requested by WCGHW, on the Services rendered or any aspect related thereto; and
 - 6.1.4 for the duration of this Contract not act in any manner that conflicts with the WCGHW's interests or which may bring it or the WCGHW in disrepute.
- 6.2 The Service Provider must ensure that its workers and employees at all times, and whilst performing the Services, wear the necessary protective gear and identifiable clothing with company logo and that they take the necessary precautions to avoid injuries and/or contracting any illnesses as a result of their rendering of the Services.
- 6.3 The Service Provider must comply with all applicable legislation and industry standards and requirements which are relevant to the rendering of the Services, including, but not limited to, the provisions of the Occupational Health and Safety Act 85 of 1993 ("OHSA") and its regulations (latest amendment), as well as the Compensation for Occupational Injuries and Diseases Act 130 of 1993 ("COIDA") and its regulations (collectively referred to as "the Legislation").
- 6.4 The Service Provider warrants its full compliance with the provisions of the OHSA and, in specific, its General Safety Regulations, 1986 and Pressure Equipment Regulations, 2009. The Service Provider is aware of the provisions of section 37 of the OHSA and the scope of its liability as an employer and/or mandatary.
- 6.5 If WCGHW becomes aware of the Service Provider's non-compliance with any of the provisions of the Legislation, WCGHW may, in writing, instruct the Service Provider to -
 - 6.5.1 stop the implementation of the Services, until WCGHW is satisfied that the Service Provider's contravention was rectified;
 - 6.5.2 ensure compliance with the Legislation, within a stipulated period; and/or
 - 6.5.3 vacate and exit the WCGHW's premises.
- 6.6 Any delay caused in the rendering of the Services by the Service Provider's non-compliance with the Legislation, will be at the Service Provider's risk and for the Service Provider's account.
- 6.7 The Service Provider must when instructed by the Department WCGHW Engineering Technical and Support Services:
 - 6.7.1 execute specific *ad hoc* tasks related to the Services;
 - 6.7.2 attend and actively participate in meetings; and
 - 6.7.3 ensure that sufficient evidence is provided of the Services rendered.

7. **Contract Period**

The contract period shall be three (3) years which starts from the date on which the bid is awarded.

It must be understood that the WCGHW does not bind itself to the purchase of any estimated quantity.

The WCGHW further reserves the right to award the bid to a single entity or award portions of the contract to different entities.

8. **Preamble to Price Schedules**

The prices quoted shall be a net price per pressure equipment (vessels under pressure). An additional amount shall be quoted for the re-certification of a vessel, when follow up of repairs are to be warranted when and where required. No travel or accommodation costs will be allowed within a 70 km radius from the main hub, Karl Bremer Hospital of a geographical area i.e.:

- In the Cape Metro area, but for work outside the Metro, a travel and accommodation rate shall be quoted.
- Garden Route/Central Karoo
- West Coast
- Winelands Overberg

Where minor repairs are requires, replacement parts can be invoiced at cost plus percentage mark-up as indicated in price schedule. The basic contract price shall be effective for the duration of the contract. Bid price must include Value Added Tax.

The work actually executed will be re-measured after execution and the final Price Schedule prepared from such measurements will be priced at the unit rates inserted herein by the Bidder or at rates proportionate thereto.

The cost of complying with all the conditions, obligations and liabilities described in the Conditions of Contract and Specification will be deemed to be spread over and included in the prices stated in this Schedule, unless expressly the subject of a specific item. The Contractor shall have no claim for further payment in respect of any work or method of execution, which may be described or implied in the Contract, although apparently no corresponding item is given in the Price Schedule. Additional rates, however, can be inserted in the bid where deemed necessary by the Bidder.

General directions and descriptions of work and material given in the Specifications are not repeated in the Price Schedule. Reference shall be made to the Specifications and General Conditions of Contract for this information.

The net measurement of the finished work in place will always be taken except where otherwise specified.

Bid – Part 2

SPECIFICATION FOR THE INSPECTION, RE-CERTIFICATION WHERE NECESSARY, AND TESTING OF STEAM GENERATORS.

1. General

All provisions and requirements shall apply as specified in the bid document of the same number – part 1.

2. Additional Requirements

In addition to the requirements of the bid document part 1, the following requirements shall apply:

- 2.1 A separate price shall be quoted for inspection of a steam generator.
- 2.2 Where required by the institutions, an inspection shall be carried out while the steam generator is in operation to ensure that the steam line(s) are in good condition, that no steam leaks are present and that steam traps and other devices that determine their efficiency are in good condition.
- 2.3 Where required a visual internal inspection shall be carried out prior to cleaning of the steam generator to determine the level of scaling. Excessive scaling shall immediately be reported to the person in authority as it indicates incorrect water treatment and has a serious effect on steam generator efficiency. Where excessive scaling is present an acid wash shall be recommended as part of the steam generator cleaning process prior to inspection.
- 2.4 Steam generator cleaning is conducted by an independent party from the inspection authority, and the duties of the appointed inspection authority prior to the inspection is to instruct the former of areas that will require thorough cleaning to ensure the accuracy of the inspection results.
- 2.5 The steam generator inspection shall comply with a thorough visual inspection of all fire and water/steam spaces, crack detection inspection of all scale free and critical welds, inspection of the flue, burner, grating, walkways, associated water pipes and valves, witness the pressure testing and lastly witness the setting of all safety appurtenances during the steam up of the steam generator i.e. low water level alarms, safety relieve valves etc. to ensure that all are functioning correctly.
- 2.6 On completion of the inspection a technical report shall be completed and signed off by the Inspection Authority's competent person.
- 2.7 Requirements of paragraphs 5.6 to 5.7.2 of part 1 of this document will similarly apply to all steam generators inspected.

Hot Work Permit

Western Cape
Government
FOR YOU

This Hot Work Permit is required for any operation or procedure involving open flames and/or which produces heat and/or produces sparks. This includes but is not limited to grinding, 'torch-on' waterproofing, welding or brazing.

This document must be completed by all contractors who perform such tasks that present an inherent fire hazard to the facility and must be completed by the principle contractor responsible for the insurance of the building area/site or their authorized representative. Two copies must be made, one provided for the H&S file on-site and one to the project manager or employer's agent.

Before Starting Hot Work

Any 'N' response to the questions on the checklist should prevent the hot work from taking place until this precaution can be met or the hazard excluded.

PROVINCIAL GOVERNMENT WESTERN CAPE

DECLARATION OF INTEREST, BIDDERS PAST SCM PRACTICES AND INDEPENDENT BID DETERMINATION

1. To give effect to the requirements of the Western Cape Provincial Treasury Instructions, 2019: Supply Chain Management (Goods and Services), Public Finance Management Act (PFMA) Supply Chain Management (SCM) Instruction No. 3 of 2021/2022 - SBD 4 Declaration of Interest, Section 4 (1)(b)(iii) of the Competition Act No. 89 of 1998 as amended together with its associated regulations, the Prevention and Combating of Corrupt Activities Act No 12 of 2004 and regulations pertaining to the tender defaulters register, Paragraph 16A9 of the National Treasury Regulations and/or any other applicable legislation.
2. Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the bidder to make this declaration in respect of the details required hereunder.
3. All prospective bidders intending to do business with the Institution must be registered on the Central Supplier Database (CSD) and the Western Cape Supplier Evidence Bank (WCSEB) if they wish to do business with the Western Cape Government (WCG) via the electronic Procurement Solution (ePS).
4. The status of enterprises and persons listed on the National Treasury's Register for Tender Defaulters will be housed on the ePS. Institutions may not under any circumstances procure from enterprises and persons listed on the Database of Tender Defaulters.
5. The status of suppliers listed on the National Treasury's Database of Restricted Suppliers will be housed on the ePS; however, it remains incumbent on institutions to check the National Treasury Database of Restricted Suppliers before the conclusion of any procurement process. For suppliers listed as restricted, institutions must apply due diligence and risk assessment before deciding to proceed with procurement from any such supplier.

6. Definitions

"bid" means a bidder's response to an institution's invitation to participate in a procurement process which may include a bid, price quotation or proposal;

"Bid rigging (or collusive bidding)" occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and/or services through a bidding process. Bid rigging is, therefore, an agreement between competitors.

"business interest" means -

- (a) a right or entitlement to share in profits, revenue or assets of an entity;
- (b) a real or personal right in property;
- (c) a right to remuneration or any other private gain or benefit, or
- (d) includes any interest contemplated in paragraphs (a), (b) or (c) acquired through an intermediary and any potential interest in terms of any of those paragraphs;

"Consortium or Joint Venture" means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract;

"Controlling interest" means, the power, by one person or a group of persons holding the majority of the equity of an enterprise, alternatively, the person/s having the deciding vote or power to influence or to direct the course and decisions of the enterprise;

"Corruption"- General offences of corruption are defined in the Combating of Corrupt Activities Act, 2004 (Act No 12 of 2004) as:

Any person who directly or indirectly -

- (a) accepts or agrees or offers to accept an! gratification from any other person, whether for the benefit of himself or herself or for the benefit of another person; or
- (b) gives or agrees or offers to give to any other person any gratification, whether for the benefit of that other person or for the benefit of another person., in order to act personally or by influencing another person so to act, in a manner—
 - (i) that amounts to the-

 - (aa) the abuse of a position of authority;
 - (bb) a breach of trust; or
 - (cc) the violation of a legal duty or a set of rules;
 - (iii) designed to achieve an unjustified result; or
 - (iv) that amounts to any other unauthorised or improper inducement to do or 45 not to do anything. of the, is guilty of the offence of corruption.

"CSD" means the Central Supplier Database maintained by National Treasury;

"employee", in relation to –

- (a) a department, means a person contemplated in section 8 of the Public Service Act, 1994 but excludes a person appointed in terms of section 12A of that Act; and
- (b) a public entity, means a person employed by the public entity;

"entity" means any -

- (a) association of persons, whether or not incorporated or registered in terms of any law, including a company, corporation, trust, partnership, close corporation, joint venture or consortium; or
- (b) sole proprietorship;

“entity conducting business with the Institution” means an entity that contracts or applies or tenders for the sale, lease or supply of goods or services to the Province;

“Family member” means a person’s -

- (a) spouse; or
- (b) child, parent, brother, sister, whether such a relationship results from birth, marriage or adoption or some other legal arrangement (as the case may be);

“intermediary” means a person through whom an interest is acquired, and includes a representative or agent or any other person who has been granted authority to act on behalf of another person;

“Institution” means –

a provincial department or provincial public entity listed in Schedule 3C of the Act;

“Provincial Government Western Cape (PGWC)” means

- (a) the Institution of the Western Cape, and
- (b) a provincial public entity;

“RWOEE” means -

Remunerative Work Outside of the Employee’s Employment

“spouse” means a person’s -

- (a) partner in marriage or civil union according to legislation;
- (b) partner in a customary union according to indigenous law; or partner with whom he or she cohabits and who is publicly acknowledged by the person as his or her life partner or permanent companion.

7. Regulation 13(c) of the Public Service Regulations (PSR) 2016, effective 1 February 2017, prohibits any employee from conducting business with an organ of state, or holding a directorship in a public or private company doing business with an organ of state unless the employee is a director (in an official capacity) of a company listed in schedules 2 and 3 of the Public Finance Management Act.

- a) Therefore, by 31 January 2017 all employees who are conducting business with an organ of state should either have:
 - (i) resigned as an employee of the government institution or;
 - (ii) cease conducting business with an organ of state or;
 - (iii) resign as a director/shareholder/owner/member of an entity that conducts business with an organ of state.

8. Any legal person, or their family members, may make an offer or offers in terms of this invitation to bid. In view of potential conflict of interest, in the event that the resulting bid, or part thereof, be awarded to family members of persons employed by an organ of state, it is required that the bidder or his/her authorised representative declare his/her position in relation to the evaluating/adjudicating authority where the bidder is employed by the Institution.
9. The bid of any bidder may be disregarded if that bidder or any of its directors abused the institution's supply chain management system; committed fraud or any other improper conduct in relation to such system; disclosure is found not to be true and complete; or failed to perform on any previous contract.
10. Section 4(1)(b)(iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds.
11. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorises accounting officers and accounting authorities to:
 - a) disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b) cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
12. Communication between partners in a joint venture or consortium will not be construed as collusive bidding.
13. In addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

Failure on the part of a bidder to fill in, sign this form and submit in the circumstances prescribed in the Codes of Good Practice either a B-BBEE Verification Certificate issued by a Verification Agency accredited by the South African Accreditation System (SANAS) or an affidavit confirming annual total revenue and level of black ownership together with the bid or an affidavit issued by Companies Intellectual Property Commission, will be interpreted to

mean that preference points for B-BBEE status level of contribution are not claimed.

The organ of state reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

3. ADJUDICATION USING A POINT SYSTEM

3.1 Subject to Section 2 (1) (f) of the Preferential Procurement Policy Framework Act, 2000, **the bidder obtaining the highest number of total points** will be awarded the contract.

3.2 A tenderer must submit proof of its B-BBEE status level of contributor in order to claim points for B-BBEE.

3.3 A tenderer failing to submit proof of B-BBEE status level of contributor or is a non-compliant contributor to B-BBEE will not be disqualified but will only score:

(a) points out of 80 for price; and

(b) 0 points out of 20 for B-BBEE

3.4 Points scored must be rounded off to the nearest 2 decimal places.

3.5 In the event that two or more bids have scored equal total points, the successful bid must be the one scoring the highest number of preference points for B-BBEE.

3.6 As per section 2 (1) (f) of the Preferential Procurement Policy Framework Act, 2000, the contract may be awarded to a bidder other than the one scoring the highest number of total points based on objective criteria in addition to those contemplated in paragraph (d) and (e) of the Act that justifies the award to another tenderer provided that it has been stipulated upfront in the tendering conditions.

3.7 Should two or more bids be equal in all respects; the award shall be decided by the drawing of lots.

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:
 - 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
 - 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
 - 1.7 "Day" means calendar day.
 - 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
 - 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
 - 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.

- 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.

- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in

**information
;
inspection.**

connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

**7. Performance
security**

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
 - (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract supplies may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the

purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;

- (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
- (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods

in the conditions prevailing in the country of final destination.

- 15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments

- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

- 19. Assignment** 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.
- 20. Subcontracts** 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.
- 21. Delays in the supplier's performance** 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar

quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a

provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

	27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
	27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
	(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
28. Limitation of liability	(b) the purchaser shall pay the supplier any monies due the supplier.
	28.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6;
	(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
	(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.
29. Governing language	29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.
30. Applicable law	30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.
31. Notices	31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
	31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.
32. Taxes and duties	32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.

33. National Industrial Participation (NIP) Programme

- 33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

34 Prohibition of Restrictive practices

- 34.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).
- 34.2 If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.
- 34.3 If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.
