Hi Modiehi,

36 months is a duration of contract to allow all payments. DI Bidders timeframe must be based on the EIA Regulations

Good day mam,

With regards to the 36- months duration of the project, Are we supposed to quote prices based on the 36-months period whilst the scoping and EIA process normally takes 12- months?

Kindly Clarify

Your prompt response will be highly appreciated.

Thank you

Kind Regards
