The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer's preference points. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

For tenders up to R50 million

- 80 points are assigned to the price
- Up to 20 points are assigned to BBBEE status per the table under the item

Points scored will be rounded off to the nearest 2 decimal places.

Schedule 3:

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS

2022

Notes:

8.3.1.1 "B-BBEE status level of contributor" means the B-BBEE status received by a measured entity based on its overall performance using the relevant scorecard contained in the Codes of Good Practice on Black Economic Empowerment, issued in terms of section 9(1) of the Broad-Based Black Economic Empowerment Act (Act No.53 of 2003).

8.3.1.4 The submission of such certificates must comply with the requirements of instructions and guidelines issued by the National Treasury and be in accordance with notices published by the Department of Trade and Industry in the Government Gazette.

8.3.1.5 A trust, consortium, or joint venture will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits its B-BBEE status level certificate.

8.3.1.6 A trust, consortium, or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits its consolidated B-BBEE scorecard as if it were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate tender.

8.3.1.7 A person will not be awarded points for B-BBEE status level if it is indicated in the tender documents that such a tenderer intends sub-contracting more than 25% of the value of the contract to any other enterprise that does not qualify for at least the points that such a tenderer qualifies for.

8.3.1.8 A person awarded a contract will not be permitted to subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned.

8.3.1.9 No tender will be awarded to a bidder whose tax matters are not in order with SARS.

8.3.1.10 No tender will be awarded to a bidder who is not registered on CSD.

8.3.2 Formula for scoring tender price.

The following formula will be used to calculate the points for price.

$$Ps = X [1 - \frac{(Pt - Pmin)}{Pmin}]$$

Pmin

Where

Ps = Points scored for comparative price of tender under consideration

Pt = Comparative price of tender under consideration

Pmin = Comparative price of the lowest acceptable tender

X = Points assigned to price

8.3.3 The total preference points for a tender are calculated with the formula.

PP = Ps + Pbee Where

PP is the total number of preference points scored by the tenderer.

Ps is the points scored for the comparative price of the tenderer, and

Pbee is the number of points awarded to the tenderer based on their certified B-BBEE status level.

7. Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF), which encourages the JDA to consider its risk exposure to contractors/service providers in terms of the number of contracts awarded to a single contractor/service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts for **individual** professional service providers (e.g., project managers/engineers/quantity surveyors/consultants) is either:

1. The greater of R8 million or four contracts/projects in the current financial year, or
2. The greater of R12 million or six contracts/projects over two financial years (current year and previous financial year)

In instances where the value of contracts for **multi-disciplinary** professional service providers (e.g., more than one discipline/service is provided by the same bidder) is either:

3. The greater of R12 million or six contracts/projects in the current financial year, or
4. The greater of R20 million or nine contracts/projects over two financial years (current year and previous financial year)

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework is acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

8. CLOSING DATE, TIME, AND VENUE FOR SUBMISSIONS

The completed tender document shall be placed in a sealed envelope. The words:

**“RFP - PROVISION OF MEDIA BUYING, MEDIA PLANNING, AND RELATED SERVICES FOR THE JDA
