SUITE BASIL PRODUCTIONS – Artscape 55 and Rural Outreach

Suite Basil Productions is an accomplished director/curator working on projects that speaks to historical story-telling and community upliftment. They have a track record of creating content for community programmes that incorporate artists from the community. They also have worked on curating many programmes that portray the history of the people, place or event. These programmes have included production elements that incorporate artistic expression of music, dance, visuals and spoken word. They are therefore best suited to for the 55 years projects and the Rural Outreach.
