

ADDENDUM 3

TENDER NO.: E3057GXMPDUV

DESCRIPTION: Identification, classification, designing, installation, maintenance and training of Hazardous Locations at Duvha Power Station for a period of 5 years (60 months).

DATE ISSUED: 12 August 2026

FROM: Eskom Holdings SOC Ltd

TO: All Bidders / Interested Parties

Subject:

- Questions and Answers template
- Updated NEC (Price List)
- Hazardous Locations Standard and Hazardous Locations Zoned
- Tender closing date

This addendum serves to formally amend the issued tender documents as follows:

1. Questions and Answers template

We have uploaded a Questions and Answers template that addresses all the clarification questions received from the market to date regarding various aspects of the tender.

2. Updated NEC (Price List)

The Price List section has been updated to include a compulsory Safety Officer, which was inadvertently omitted. This amendment can be found on page 35, Section 38.5.

3. Hazardous Locations Standard and Hazardous Locations Zoned

The Technical team has shared the two documents to assist suppliers in reviewing and familiarizing themselves with the relevant content and requirements.

4. Tender Closing date Extension

Please note the tender closing date has been extended to **11 September 2026 @ 10:00**, as previously communicated.

Availability of Revised Documentation

Tenderers are hereby advised that revised documentation has been uploaded on all tender platforms to reflect the corrections previously communicated.

All tenderers are required to ensure that they obtain and review the revised documents in full, and that their submissions are based on the updated documentation.

No claims arising from failure to consider the revised documentation will be entertained.
This notice forms an integral part of the tender documentation.

End of Addendum.

Yours faithfully

Procurement Manager

Mandla Mkhonza
