PART 3: QUESTIONS RECEIVED POST CLARIFICATION MEETING

Only questions submitted in writing will be formally answered and become part of the Tender Documents. The questions received in writing from the tenderers up to 09 October 2026, as well as the answers to the questions, are listed in the table below:

QUERY NO.	QUESTION	ANSWER/RESPONSE
1	Please see the BOQ issues below for correction: N.005-014-2025/1 - FOR THE ROUTINE ROAD MAINTENANCE OF NATIONAL ROUTES N5, R74 AND R57 IN THE THABO MOFUTSANYANA DISTRICT MUNICIPALITY M020.06(b) – The provisional sum is empty. M210.06(c)(i) – The item is not adding up. M3201 – The quantity is shown in kilometres instead of a unit quantity of 1. Initial cleaning. M520.03(c) – The item is not adding up. M630.03 – The unit is in kilometres instead of a number, and the item also does not add up.	The provisional sum rate has been included The lump sum has been corrected to a quantity of 1 unit. The unit of measurement is “No.” in accordance with Master List 7, as opposed to “km”. Corrected Corrected No issue noted Corrected
2	During our review of the BOQ for Contract N.005-014-2025/1, we identified two technical errors that require correction: 1. M320.01 – Initial Clearing of the Road Reserve The unit is currently shown as kilometres. However, this item is a lump sum per section, and the quantity should therefore be No. 1 for each route section listed, not the km distance. 2. M630.03(b)(v), (vi) and (vii) For these items, the quantity multiplied by the rate does not total correctly in the Amount column. The BOQ is not calculating the extended amounts, and the totals displayed are zero.	The lump sum has been corrected to a quantity of 1 unit. Fire Break quantities updated Corrected
3	Could you kindly assist with the following BOQ items, The rates have been entered, but the amounts are not calculating in the Excel BOQ.	N.005-014-2025/1 BoQ Formulas corrected in rev3 BoQ
