DESCRIPTION:**SPECIFICATION****SCRAP BAILING SERVICES ON AN AS-AND-WHEN REQUIRED BASIS FOR A PERIOD NOT EXCEEDING 12 MONTHS****1. BACKGROUND**

The Johannesburg Metropolitan Police Department (JMPD) is responsible for the management of the vehicle pound facilities. These facilities are used to store vehicles that have been impounded by JMPD for numerous reasons, such as violation of traffic regulations, violation of City By-Laws, involved in an accident and those that are abandoned by owners in City's owned properties. The impoundment process warrants that the vehicles are safely stored for the period of 90 days, if not recovered by the owner JMPD is allowed to scrap the vehicle to recover storage cost.

The standard process the Department follows to ensure that the vehicle pound facilities are well managed is through procuring the service of scrap baling companies at no cost to the city, instead the City receives cash in return from the service providers for scrap metal recovered. This is another approach that the department is using to generate revenue. There is a total of 250 vehicles in the pound facilities that are ready for scraping citywide, that is in Dube Vocational in Soweto and Selby in Johannesburg.

2. PURPOSE

The main purpose of this Terms of Reference (TOR) is to appoint a service provider to perform the scrap bailing services on an as-and-when required basis for a period not exceeding 12 months as spelled out in the scope of work below.

- Remove batteries from the vehicle/s on site before compacting the vehicle/s.

- Deep clean all materials that are deposited after the vehicle/s have been compacted and ensure the site is clean with no oil spillages.
- Compacted loose items such as gearboxes, engines, canopies, doors etc.
- Collect and transport vehicle/s to the compacting site.
- Perform such functions in the presence of COJ representative.
- Be liable for any damage or injury of whatsoever nature, caused directly or indirectly as a result of operations to the City or any services which may have been laid thereon or on any sidewalks/pavements, or to his own vehicles, equipment etc.

MBD9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
- a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
