TENDER BULLETIN NO. 1

AD0097 – REQUEST FOR PROPOSALS (RFP PARTNERSHIP FOR THE REMOVAL AND REUSE OF PETROLEUM SLUDGE FROM VARIOUS TANKS AT THE PetroSA GTL PLANT IN MOSSEL BAY)

General Questions/ Clarifications / Notes

Question 1

Is there still liquid/product left in the tanks or is it only the sludge?

Answer

The tank contents consist of a mixture of sludge and water

Question 2

Recyclers & Landfills will require samples: Are samples available?

Answer

PetroSA currently does not have a standard analysis for these specific tanks. However, interested parties are welcome to collect samples during their plant visit and conduct their own analysis. Bidders can arrange a plant visit in order to obtain first-hand information on the location and physical configuration of the tanks. Please contact ANDRE.Snell@petrosa.co.za to arrange for a visit
