Description of Services	Develop Social Progress Index Tracking Platform		

1. Mention is made of the following systems that are currently in place in the province namely: 1). a Ward-Based Information System and the 2) Eastern Cape Interactive Planning Atlas.

Question: We wanted to check on which platform this is constructed? If these are online web map type applications running of an ESRI platform /portal or online mechanism? If these are accessible is there a URL link to these?

Answer: **The current platform is ESRI-based.**

- **System is running on the ECSECC portal but is ESRI-based.**
- **Yes, there are URL links.**

2. On the document ECS04-26 TORS.pdf on section 16.2 there are three element groups that form part of Gate 1- each has a comply (1/0) score.

Question: Is the expectation that we complete these, or is it simply to indicate the items that you will score when looking at the submission?

Answer: **The items referred to in the table in 16.2.1 refers to items that we will score against when reviewing the submission. Please note that a minimum score of 80% is required to proceed to Gate 2.**
