1. BACKGROUND AND OVERVIEW OF THE PROJECT

1.1 INTRODUCTION

Winnie Madikizela Mandela LM (WMMLM) Libraries have got the mandate to promote the use of libraries and instilling the culture of reading and learning through our popular theme ***“Sifunda Sidlala”***. Our Libraries are a vibrant learning space where learners are always kept safe, engaging in different learning activities like reading, reciting, debating, reviewing books and engage in playful activities all year round, even during holidays.

Play improves the cognitive, physical, social and emotional well-being of children and young people. Through play, children learn about the world and themselves. They also learn skills they need for study, work and relationships such as: confidence amongst others.

WMMLM is home to the following Libraries:

- **Mbizana Main Library–Bizana Town Ward 1**
- **Ebenezer Community Library–Ebenezer Village Ward 24**
- **Nkantolo Community Library–Nkantolo Village Ward 27**
- **Monwabisi Mfingwana Community Library–Dudumeni Village Ward 8**

It is therefore crucial for children to engage in outdoor play as it has been linked to improved academic performance. Research suggests that children who spend more time outdoors exhibit better concentration, attention spans, and problem-solving abilities. The skills acquired during unstructured play on jungle gyms can positively impact a child's readiness for formal learning environments.

1.2 OVERALL AND SPECIFIC OBJECTIVES OF THE PROJECT

2.2.1 Overall objective

Social & Indigent Support Services under Community Services Department facilitate provision of child-friendly libraries for all target groups. Early literacy development through the theme “**Sifunda Sidlala**” is foundational for academic achievement, lifelong learning and sustainable development. This serves to request installation of jungle gym equipment.

2.2.2 Specific Objectives

Specific objectives of this project include but are not limited to enhancing the following:

- *Exercise*

An active child is a happy one — and a healthy one. Jungle gyms help children get into a routine of outdoor exploration that hopefully lasts a lifetime.

- *Imagination*

It won't take long for the kids to put on their creative caps and turn the jungle gym into a pirate ship at sea, a castle, a fort, or a secret hideaway which is imperative for sharpened imagination.

- *Sharing*

Whether a child have siblings, neighbors, or friends, the nature of the backyard jungle gym reinforces the idea of taking turns. Since many swing sets have a single slide, a single rock wall, a single set of monkey bars, etc., children simply must share which is a good life skill.

- *Improved Safety*

The newer swing set designs are nothing compared to what was on the market 15 or 20 years ago. Children can play in a safe jungle set, in a safe environment

while either taking a break from studies or homework and while waiting for their transport to pick them up.

- *Overcome Fears*

Jungle gyms help children overcome their different fears like the height of swings, crossing the monkey bars, climbing on the rock wall, or sliding down a slide. It is common for children to have a slight sense of uneasiness when facing these tasks for the first time. With repetition and the development of courage, children will be cruising on the monkey bars or whizzing down the slide in no time!

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
