1	We are currently preparing our submission for Tender No. CGS-2025-003NY. While reviewing the tender document, we noted that pages 12–31 include the scope of work, conditions, and forms. We would like to confirm whether bidders are expected to: - Resubmit these pages exactly as they appear in the tender document, or - Only provide the completed SBD forms (e.g., SBD 4 on page 31), together with our own responses (e.g., Schedule 4 – Functional Response to the Scope of Work). To avoid any errors or omissions, may we kindly request that CGS provide a submission template or checklist that clearly indicates which sections of the tender document must be completed and returned, and which sections are for bidder reference only.	Kindly complete the pricing schedule as attached in the tender advert from the e-tender portal and Council for Geoscience website on a separate envelope. You are welcome to additionally complete your own price schedule should you have more information to furnish. Please refer to the check list on page 2 - 4 of the tender document
2	The tender is strictly an <i>as-and-when required</i> supply arrangement, or – If there are indicative or	The quantities are “as and when required” for a period of 3 years.
