REPORTING OF PROCUREMENT BY OTHER MEANS :DEVIATIONS									
No	Supplier no.	Project Description	Name of Supplier	Reasons	Dev no.	Value of contract	Approval Date	Contract start date	Contract expiry
1	MAAA01507497	Renewal of annual CIMA professional membership fees	Charter Quest (facilitating CIMA membership)	A deviation is sought to procure the service through a single source, as Charter Quest is an accredited CIMA service provider that has historically supported the officials from their initial registration and maintains their academic and administrative records. While there are other accredited service providers capable of offering similar services, Charter Quest has been selected to ensure continuity of professional support and to avoid the administrative complexities and potential delays associated with transferring academic and membership records to another provider. Procuring through this provider therefore ensures efficiency and consistency in service delivery.	CCMADW-26-04	R8 640	*As per the signature date.	Once off	N/a

*Approval date as per the final signature date on the memo
