

T2.2-24: DECLARATION OF UNDERSTANDING – OBLIGATIONS OF THE *CONTRACTOR*

The *Contractor* to comply with following clause:

- 1 Due to vast geographical nature of the pipeline network, the *Contractor* must have a branch or sub-office where the response equipment will be stored or housed in the Kwa-Zulu Natal Province (In one of the following municipalities eThekweni Municipality, Msunduzi Municipality, Mnambithi Municipality) for the duration of the contract. If the branch or sub-office does not exist, it must be established within one (1) calendar month of award and must be within the Kwa-Zulu Natal Province (In one of the following municipalities eThekweni Municipality, Msunduzi Municipality, Mnambithi Municipality). Failure to establish the office within the stipulated period of one (1) month will render the award invalid and shall be terminated.

Declare that I have read and understood the contents above and I also declare that I understand my responsibilities in terms of enforcing and implementing the above.
