1. INTRODUCTION

The South African Social Security Agency (SASSA) also referred to as “the Agency” has been established in terms of the South African Social Security Agency Act, 2004 (Act No.9 of 2004). SASSA is a schedule 3A public entity in terms of the Public Finance Management Act 1999 (Act No. 1 of 1999, as amended), and is responsible for the management, administration and payment of social assistance.

2. PURPOSE

To appoint suitable bidders to be accredited to supply and issue immediate social relief to eligible person(s) who have been affected by a disaster in the Western Cape (WC). The interested bidders should note that the duration for the required accreditation will be for a period three (3) years.

3. BACKGROUND

Social Relief of Distress (SRD) means the meeting of the basic needs of indigent persons by means of the rendering of temporary and immediate material assistance. SRD is an immediate response to a crisis situation in respect of an individual (adult or child), a family or a community in the case of a disaster; or undue hardship. A disaster incident is a situation that may lead to a disruption, loss, emergency or crisis of a magnitude that exceeds the ability of those affected by the incident to cope with its effects using only their own resources.

Regulation 11(1)(a) of the Social Assistance Act dictates that a person affected by disasters whether declared or not declared may qualify for social relief of distress, in terms of Disaster Management Act 2002 (Act No. 57 of 2002). Therefore, the Agency has a mandate to provide the necessary but temporary relief, in collaboration with other key stakeholders to individuals, households, and communities affected by a disaster.

4. LEGISLATIVE FRAMEWORK

SASSA is obliged to respond and assist the affected persons in accordance with the following enabling legislation and standard operating procedure:

Social Assistance Amendment Act, Act No. 16 of 2020

Social Assistance Act 13 of 2004 Regulations as amended (gazetted 31 May 2022)

Disaster Management Act, 2002 (Act 57 of 2002)

Social Relief of Distress Standard Operating Procedure, October 2022

The Constitution of South- Africa (Act 108 of 1996)

The Public Finance Management Act (Act 1 of 1999 as amended)

5. SCOPE OF WORK

The accredited service providers will be required on activation to:

5.1 Deliver on the required quantities and qualities of items as per **Annexure A (Specification and Pricing)** as determined by the Agency through an assessment of a disaster incident.
