CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

JCPZ expects Suppliers to conduct business in accordance with the highest ethical standards at all times. This Supplier Code sets forth the principles and standards of conduct for Suppliers (and their workforce) who provide goods or services to JCPZ. JCPZ may require Suppliers to demonstrate that they are in compliance with this Supplier Code and failure to comply with the expectations outlined in this Supplier Code could result, in cessation of business with JCPZ.

5.2 Bribery and Corruption

JCPZ complies with the anti-bribery and anti-corruption laws of South Africa and supports all efforts to combat bribery and corruption. We expect the same of our Suppliers.

A Supplier must not engage in any form of bribery, corruption, extortion and embezzlement and must have adequate procedures in place to prevent any such bribery or corruption in their supply chain or by others acting for them.

Bribes or other means of obtaining undue or improper advantage are not to be offered or accepted. Behaviors or actions that may negatively influence, or appear to influence, supply chain management decisions must be avoided.

5.3 Anti-Competitive Behaviours

JCPZ is committed to doing business in a fair and transparent manner. We require our Suppliers to likewise deal with JCPZ and to conduct their business generally in a way, which is legal, ethical and honest.

When preparing and submitting bids or tenders to JCPZ, Suppliers must not engage in anti-competitive behaviour, price-fixing, bid sharing or otherwise collude with others improperly.

Any Supplier who is approached about, or becomes aware of any such anti-competitive behavior activities relating to JCPZ must immediately report it to JCPZ.

5.4 JCPZ and Municipal Officials

To avoid reputational harm or the appearance of impropriety, no gift, money, loan, entertainment, service or other item of value may be promised or provided to any JCPZ or Municipal official, or the official's friends or family members, in connection with work to be provided for or by JCPZ. Suppliers must report all such legal matters to JCPZ.

Records or disclosures that a Supplier knows (or should reasonably know) to be false or misleading must not be submitted, entered, processed or approved and must be reported to JCPZ immediately upon discovery.

5.8 Conflicts of Interest

A conflict of interest can arise if actions are taken or if there are interests that may make it difficult for a Supplier to perform JCPZ-related work objectively and effectively.

JCPZ expects Suppliers to exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with the interests of JCPZ or a JCPZ client, the appearance of a conflict of interest, or that may compromise the exercise of independent judgment during the execution of work for, or on behalf of, JCPZ.

Any fees charged to the workforce must be transparent and reasonable and inappropriate or excessive fees are unacceptable. The rights of the workforce to associate freely, join or not join labor unions, seek representation and join workers' councils in accordance with local laws must be respected and upheld by a Supplier.

These factors must not be used as grounds for discrimination in hiring and employment practices (e.g. advancement, disciplinary decisions, benefits, training or general workplace conduct).

6.6 Workplace Violence

JCPZ has a "zero tolerance" policy for workplace violence. Acts or threats of physical violence are not allowed, including but not limited to physical abuse, corporal punishment, intimidation, coercion, stalking, bullying, or similar activities.

6.7 No Retaliation

A Supplier must ensure that their workforce is able to openly communicate and share grievances with their management, Unions or regulatory authorities regarding working conditions and management practices without fear of retaliation, intimidation or harassment.

A Supplier must not employ or use any form of modern slavery in the Supplier's business or in its own supply chain. Under international standards, this prohibition requirement includes forced, bonded or compulsory labor and human trafficking. JCPZ is committed to taking steps to ensure that modern slavery does not occur in our business or our supply chain; and we expect our suppliers to do the same.

We may request Suppliers from time to time to confirm to us the measures they are taking in their own operations to tackle the risk of Modern Slavery.
