ERRATUM

Request For Information (RFI) No. 7046/30/09/2026-Radio Frequency Electronic Warfare (EW) Payloads for Unmanned Airborne and Spaceborne Platforms

The Council for Scientific and Industrial Research (CSIR) invited interested service providers, product suppliers, research organisations and technology developers to submit information in response to the above-mentioned Request for Information (RFI).

The CSIR hereby notifies all prospective respondents of the following amendment to the RFI documentation:

The current closing date and time for submission of responses is:

30 September 2026 at 16h30

The closing date and time has been extended to:

09 October 2026 at 16h30

All other terms and conditions of the RFI remain unchanged. Respondents are encouraged to use the extended period to finalise and submit their responses in accordance with the requirements of the RFI.

The CSIR appreciates your interest in this Request for Information and apologises for any inconvenience caused by this amendment.
