

Dear Bidder

WCGHSC 0417/2023: RENDERING OF STUDENT TRANSPORT SERVICES FOR WESTERN CAPE COLLEGE OF NURSING MULTIPLE CAMPUSES (METRO WEST, BOLAND OVERBERG, AND SOUTHERN CAPE KAROO CAMPUSES) FOR THE DEPARTMENT OF HEALTH AND WELLNESS, WESTERN CAPE GOVERNMENT.

Clarification question posed by bidder:

Question	Response from the Department of Health and Wellness
To confirm, we will need the actual scholar transport permit, in order to tender and the bid adjudication officer will not accept proof of the application whereby our company is in the process of applying. If our company is in the process of applying for the permits, by the time the tender is awarded we would have the permits available of the ones submitted to them, please advise if this will not be considered at the stage of acceptance only. We are not able to apply for our entire fleet of vehicles to be on a scholar permit, at the current moment, on the basis of a tender not yet been awarded to us. We are able to provide evidence of at least 15x vehicles showing our application is in submission at the Transport Board of the Western Cape. It's a process of 60 days till the actual permit is available.	Kindly see SECTION 19 - EVALUATION CRITERIA PAGE 14 of the advertised bid document which states the following: Please complete the documentary proof summary sheet below as evidence of your ability to confirm your compliance criteria. All of the below mention must be valid at the time of bid closing. Proof of application for registration and similar will not be accepted.
