APPOINTMENT OF MULTI-DISCIPLINARY TECHNICAL ASSISTANCE TEAM: 1 X LOCAL GOVERNMENT LEGAL AND CONTRACT EXPERT (ADMITTED ATTORNEY)

1. PURPOSE

The purpose of this Terms of Reference is to provide guidelines for the procurement of 1 x Local Government Legal and Contract Expert (Admitted Attorney) to support targeted municipalities, Rand West City Local Municipality (LM), Merafong City LM and Lesedi Local Municipality to reduce the number of litigation cases brought against the municipalities.

2. BACKGROUND

- 2.1 The Gauteng Department of Co-operative Governance and Traditional Affairs (CoGTA) is responsible for fulfilling Gauteng Province's obligations in relation to Local Government as contained in the Constitution of the Republic of South Africa, 1996 ("the Constitution") and Local Government legislation. In terms of section 154(1) of the Constitution, the Gauteng Provincial Government, by legislative and other measures, must support and strengthen the capacity of Gauteng municipalities to manage their own affairs, to exercise their powers and to perform their functions.
- 2.2 CoGTA in line with the 6th Administration and strategic posture of the Department is mandated to facilitate the deployment of a dedicated multi-disciplinary team of experts to drive and support municipalities with the provision of legal support.
- 2.3 It is common knowledge that municipalities are spending a lot of money intended for service delivery to defend themselves against litigations before various courts. Thus, placing municipalities at the position where they cannot honor some of their financial obligations and this led to continuous tradeoffs between meeting its service delivery obligations and paying accumulated legal fees.
- 2.4 Most municipalities in Gauteng are struggling to keep up with the increasing number of litigations brought against the municipality, by creditors and employees alike. Another case in point is the ongoing legal cases in the Labour Court brought against municipalities in respect of the extension of contracts of senior managers. Furthermore, most municipalities highlighted the following challenges: contract management, false reporting by Contractors, fraud by contractors and employees. This has been evident in the recent legal support provided in the previous financial year, 2020/21.
- 2.5 The other concerning matter is the poor contract management wherein municipalities are not capable to manage service provider contracts, and as such lead to deviations, fruitless and wasteful expenditure, thus affecting the municipal Audit outcomes.
- 2.6 Important to take note is the general contract management, procurement of services has proven to provide the municipality with irreversible challenges both from the efficiencies and effectiveness perspectives as well as significant loss of revenue and valuable financial resources.

3. THE AIM OF SUPPORT

- 3.1 The aim of the support is to procure 1 x Local Government Legal and Contract Expert (Admitted Attorney) to support targeted municipalities, Rand West City Local Municipality (LM), Merafong City LM and Lesedi LM.

4. SCOPE OF WORK

- 4.1 **The 1 x Local Government Legal and Contract Expert (Admitted Attorney) will be expected to advise targeted municipalities, Rand West City Local Municipality (LM), Merafong City LM and Lesedi Local Municipality on the following but not limited:**

The following extracts from the Constitution and legislative prescripts which have a direct bearing on the Province and Municipalities in terms of delivering on their respective constitutional mandates.

- 4.1.1 **Section 139(1):** provides that the Provincial Executive may intervene if a municipality fails to fulfil an executive obligation.
- 4.1.2 **Section 154(1):** provides for support and strengthening the capacity of municipalities to manage their own affairs, exercise their powers and perform their functions.

The minimum qualifying score for functionality is indicated as a percentage and is calculated as follows:

- The score for each criterion is added to obtain the total score; and
- The following formula is applied to convert the total score to a percentage for functionality:

$$Ps = \frac{So}{Ms} \times 100$$

Where:

Ps = Percentage scored for functionality by bid under consideration

So = Total score of bid under consideration

Ms = Maximum possible score

The percentage of each panel member is added and divided by the number of panel members to establish the average percentage obtained by each bidder for functionality.
