

SOUTH AFRICAN BROADCASTING SABC SOC LIMITED
("the SABC")

ADDENDUM-03 Notice

RFP NUMBER: RFP/DTT/2024/10244589/32

**RFP TITLE: APPOINTMENT OF A SERVICE PROVIDER TO PARTNER WITH SABC AND
SUPPLY A DTH SOLUTION FOR A PERIOD OF FIVE (5) YEARS**

The following are the changes that must be taken note of:

1. Page 30, 3.5.1:
 - a. QAM 16 Modulation - This needs to be removed as its not applicable as per previous addendum
Answer: Please note that QAM 16 Modulation has been removed from the RFP document. This was an oversight while we were amending the document.
2. On Page 31, 3.5.2:
 - a. This section still refers to USB 3.0 - Should read USB 3.0/USB 2.0
Answer: Please note that the USB requirement for both Entry and Hybrid level is USB 3.0 OR USB 2.0 as an option.
 - b. Please note that the USB requirement for both Entry and Hybrid level is USB 3.0 OR USB 2.0 as an option.
 - c. In the RFP RFP/DTT/2024/10244589/32 Support for PUSH VOD – is no longer required and has been removed.
 - d. SIM & E-SIM – this requirement is part of the RFP document and should not be removed.
 - e. Item 3.5.3 of the RFP document requires Internal storage or external storage.

NB. The changes are reflected in the evaluation criteria, it was an oversight in changing throughout the entire document. All the changes above are confirmed as such.
