Pricing Schedule

A question was raised regarding item A1.11.1 and as to if this item is for the ATS software, this was confirmed by the Project Manager.

Furthermore it was asked if A1.11.15 Edwards or equivalent interface and if Edwards fire systems certification was a requirement for this tender. The project manager had stated that due to the required item being Edward or equivalent, they could not request this certification as they are not aware of the equivalent solutions if any that are currently available.

The meeting closed and was adjourned by the Chair
