

QUESTION AND ANSWERS FOR GRAPS STANDARDS TENDER UIF7/23/24

Q1-if the company does not qualify for QSE& EME can we still tender?

ANSWER-Yes bidders who are not QSE & EME can still submit their proposal, this applies to claiming of points for specific goals it is not a disqualifying matter.

Q2-What intellectual properties does the fund have?

ANSWER-The intellectual properties that the fund has is Internal generated system, which needs to be evaluated.

Q-3 I would appreciate it if you could clarify or provide guidance on the following to assist our deliberations in compiling our submission for the above tender:

- Morar recently submitted a proposal for the COVIDters Panel, which is probably still in the early stages of the evaluation process; and
- I believe that, at this stage, a submission in response to tender for the Technical Advice will NOT present a conflict to the COVIDTers Tender and vice versa.

Please advise that you concur with my assessment

ANSWER- Yes submit the proposal, if there is any conflict of interest the BEC will make a final decision.
