1. INTRODUCTION

Early Childhood Development (ECD) interventions are among the most cost-effective investment a country can make in the human development and capital formation of its people and therefore giving the children the best possible start in life.

2. BACKGROUND

On the 15 March 2020, the President declared the National State of Disaster, as a result of COVID-19 pandemic and issued a directive that all South Africans should be on level 5 of the lockdown for the period of 21 days to curb the spread of the pandemic. The ECD Sector was also affected by the directive and had to close their services on the 18 March 2020.

Subsequent to that the President extended the period of level 5 lockdown with 14 days to save lives for South Africans to intensify precautionary measures.

The Minister of Social Development had a press conference on the 11 May 2020, in the context of level 4 lockdown and a Circular dated 15 May 2020 was issued declaring closure of ECD services, as prescribed in chapter 5 and 6 of the Children's Act, 38 of 2005.

On the 19 May 2020, Basic Education issued a press release outlining all age cohorts that will be resuming learning and teaching on the 06 July 2020, including ECD services that is defined as per the Children's Act. The Regulation as per Notice 302, dated 29 May 2020 were released.

The Government Gazette Notice No R480 for Basic Education was issued on the 29 June 2020, making reference to the re-opening of the ECD services and the exclusions in terms of chapter 5 and 6 of the Children's Act 38 of 2005 and the Grade R, as per the South African School Act, 84 of 1996.

On the 10 July 2020, the Gazette on ECD Directives were published to guide ECD centres who are ready to reopen, the ECD services and the roles and responsibilities of the Gauteng Department of Social Development in the implementation of the Directives.

3. OBJECTIVES

Tshwane	34	2 502	400
West Rand	84	3 400	392
Total	752	31 147	3 568

The objective is to assist ECD centres that are not in a position to procure their own PPE and comply with the necessary health and safety protocols, to curb the spread of the Corona virus. In addition, it will further assist centres that do not have adequate water supply on site.

SBD 9**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
