

RFQ 10335426 REPLACEMENT OF WOODEN AND DAMAGED SLEEPERS WITH CONCRETE SLEEPER

1. The locations of the replacement of concrete sleepers?

- Industrial to Randfontein
- Grasmere to Houtheuwel
- Daveyton to Kwesine
- Springs
- George Goch
- Braamfontein yard
- Shosholoza Meyl

2. The bidders would like to know if they can use an alternative program to submit the project's schedule because some of them don't have MS Projects.

- Provide the project schedule in MS Projects or similar, that meets the client's timeline.

3. The locations where the material will be collected?

- PRASA will deliver the material to the sites mentioned above where the work will commence.
