SCOPE OF WORK

THEMBISILE HANI LOCAL MUNICIPALITY

**APPOINTMENT OF THE PANEL OF CONSULTING ENGINEERING FIRMS FOR THE
IMPLEMENTATION OF ELECTRICAL PROJECTS FOR THEMBISILE HANI LOCAL
MUNICIPALITY AS AND WHEN REQUIRED FOR 36 MONTHS**

C3 SCOPE OF WORK

C3.1. SCOPE

The Engineering services required of the Consulting Firm will be those in connection with the investigations, design and construction monitoring and supervision of the project.

The successful Consulting Firm will be required to conduct on this Project, a detailed analysis of the works required, compile and submit assessment reports wherein his proposals will be contained, design the system as per the agreement with the Thembisile Hani Local Municipality.

C3.2. DESCRIPTION OF THE PROJECT

**C3.2.1. APPOINTMENT OF A PANEL OF CONSULTING ENGINEERING FIRMS FOR THE IMPLEMENTATION OF
ELECTRICAL PROJECTS FOR THEMBISILE HANI LOCAL MUNICIPALITY AS AND WHEN REQUIRED FOR
36 MONTHS**

The construction/Electrical works to be monitored and supervised by the Consulting Firm shall include all related works which the Consulting Firm shall have designed and quantified himself after an agreement with the Thembisile Hani Local Municipality. The contract supervision period will be for the duration of the Construction period as indicated in the bill of quantities, commencing from the date of award of contracts to Contractor(s). It is advised that Consulting Firms use as guideline, the latest ECSA fee scale published in terms of the Engineering Professions Act (Act 46 of 2000) and applicable at the time of tender. Consultants shall be guided by a construction cost estimate for the above project(s) as provided by the Thembisile Hani Local Municipality.
