

ERRATUM TENDER NOTICE

CONTRACT NO. CDC/444/26:

DEVELOP AND CONSTRUCT PROJECT FOR NTSHELE CLINIC REPLACEMENT OF EXISTING FACILITY AT KING SABATA DALINDYEBO MUNICIPALITY IN MTHATHA

The Coega Development Corporation (CDC) is headquartered in Gqeberha, Nelson Mandela Bay Metropolitan Municipality, South Africa, with a strategic operational footprint in SA and beyond the borders in the African continent. The CDC's vision is to be the leading catalyst for the championing of socio-economic development. It seeks to achieve this through the development and operation of the 9 003-hectare Coega Special Economic Zone (SEZ), a transshipment hub and a leading investment destination in Africa, providing highly skilled competence and capacity for the execution of quality complex infrastructure and related projects throughout SA and selected markets on the African continent, and advisory on the development of industrialization and logistics zones. The CDC's advanced capabilities are successful enablers in infrastructure planning and development for National, Provincial, Local Government Departments and State-owned Entities, while realising related socio-economic impact areas such as skills and SMME development. The foundational culture of the CDC's approach, backed by core values, is innovation and continuous improvement.

The CDC is assisting The Eastern Cape Department of Health (ECDOH) with implementation of infrastructure projects. These projects are aimed at enhancing the health infrastructure leading to developing and transferring skills and reducing poverty.
