## Technical Evaluation criteria

Proposals will be required to meet **70%** functionality qualifying score to be evaluated further. Tenderers that fail to achieve the minimum qualifying score will be disqualified. A weighted score-card approach will be used to evaluate technical compliance of tenders against the specification.

| Category                                                                                                                                                                                                                  | Sub Criteria                                                                                                                                                                                                                                                                | Score       |
